Other 4-H Happenings:

4-H Open House 2025

The Open 4-H Open House was held on Saturday, October 11, 2025 at the Gardello County Fair. The event is a success! Much like the previous 4-H Open House, it was a fun-filled afternoon offering treated nearly 500 ghosts & goblins to 4-H information and of course candy. The event was cut a little short because of the rain but a lovely night for candy!

The Open 4-H Open House is for youth to try out and explore 4-H activities. Children and their parents/guardians participated in 4-H activities and learn about opportunities for 4-H participation.

Thank you to all the clubs that participated!

4-H Trailer and Pullers & Treats at the Smiths Creek American Legion

Free pullers & treats at the Smiths Creek American Legion with the 4-H Trailer & Council Tent a success! Much like the previous 4-H Open House, it was a fun-filled afternoon offering treated nearly 500 ghosts & goblins to 4-H information and of course candy. The event was cut a little short because of the rain but a lovely night for candy!

Rabbit Developmental Committee Update:

Sunday, Nov 2nd we had the Rabbit Eats and Treats workshop.

A Big Thank you to McKenna Weiss for being our guest speaker and sharing her knowledge and answering all our questions.

A Big Thank you to Maria Furnesz for sharing how to make the bunny treats and making the human treat too!

Thank you to all who helped from making the bunny snack to cleaning up after the workshop.

36 attended the fun informative workshop. And all got to take home a raffle prize, knowledge, and a snack for their rabbit.

Thank you to all who attended

**Remember even in the cold weather the most important nutrient for rabbits is water, they will not eat without it.

Livestock Education Committee Update:

Livestock Record Keeping and Nutrition Workshop

There was a great turnout of livestock exhibitors at this September 6, 2025 event. Bryon Hurley took home the clippers and the balance of participants received a variety of door prizes.

Thank you to the Livestock Education Committee for coordinating this fantastic event.

4-H Meat Evaluation

A huge THANK YOU goes out to Chris Fox for hosting our Meat Evaluation Clinic and to our wonderfully instructors Dr. Andrea Dunlap, Dr. Jared Jaskowski and Dr. Jeannine Schaefer! Chris's farm was the perfect setting for our clinic, and he was so amazing to everyone, these are full palates with specially made cookies for us!

From start to finish, it was an exciting, hands-on learning experience filled with knowledge and laughter. The time they spent with our members, sharing their expertise and guiding them through delicate hands-approaches like the palate for our 10 pork and 4 medium and lamb carcasses was invaluable.

We're grateful for everything you do to help our youth grow in knowledge and confidence and friendship.

Thank you to the Livestock Education Committee for coordinating this fantastic event.

Watch for more workshop opportunities from the Livestock Education Committee coming soon!
