St. Clair County Prevention Strategies – COVID-19 - REVISED

The health and safety of our citizens, employees and community members is our top priority. To that end, St. Clair County officials have been working closely with the St. Clair County Health Department, who are our subject matter experts.

Health Department Officials are relying on our community to work together to slow the potential spread of illness. As such, they are emphasizing individuals practice proper prevention strategies. Examples include, proper handwashing, staying away from others when sick and maintaining social distancing.

Therefore, St. Clair County is encouraging citizens to utilize online services whenever possible. In instances online or digital services are not available, St. Clair County operations will continue as normal. Staff are following all cleaning recommendations provided by the Health Department and the CDC.

Online or digital services available by department are listed below. This list is not exhaustive, please refer to our website at www.stclaircounty.org for each department's listing and instructions.

Animal Control – dog licensing is available online or by mail

County Clerk – most items available online, with the exception of notary services

Drain Office – drainage issues, permits or inquiries available by phone, e-mail, fax or mail. Payments are accepted via mail.

Parks and Recreation – reservations are available by phone and e-mail

Treasurer's Office – payments can be made online for tax payments. E-checks are free of charge. Credit card payments will have a convenience fee added.

Veteran's Affairs – scheduled appointments will be rescheduled or conducted via phone or e-mail. Paperwork can be submitted via a secured lock box.

When calling 9-1-1 or Dispatch, you will be asked if you have a fever, cough or are short of breath. Should this apply, you may be asked to come out of your residence to meet first responders. This will insure the safety of both the public and first responders.

Operations at the Sheriff Department and Intervention Center will continue as normal.

COUNTY OF ST. CLAIR

For a full listing of St. Clair County Health Department recommendations and guidelines, please visit their website at www.scchealth.co or follow them on social media @scchdmi. A local COVID-19 informational hotline is also available at (810) 966-4163. Information will be updated as the situation changes.
