St. Clair County Animal Control Removes 13 Cats, 8 Dogs From Residence

Port Huron—

St. Clair County Animal Control, in cooperation with the Port Huron Police Department, responded to a complaint of animal neglect and alleged hoarding on the 600 block of 15th St.

A search warrant was drafted and executed. Animal Control seized 13 cats and kittens and 8 small-breed dogs. Several of the animals were sick or injured with two requiring emergency veterinary care. The floors and most surfaces in the residence were soiled with animal urine and feces.

The case is still under investigation and charges are yet to be determined.

All animals from similar alleged neglect situations are deemed adoptable once they have been surrendered to Animal Control and are medically cleared. Donations of Clorox bleach, Dawn dish soap, unscented scoopable cat litter, Indoor Purina Cat Chow, and Small Breed Purina Dog Chow to help with the animals' care while they are in recovery is greatly appreciated.

SCCAC urges anyone aware of animal collecting, cruelty, or neglect to report the conditions to 810.984.3155 or animalcontrol@stclaircounty.org.
