2019 Dog License Renewals

All dog licenses for 2019 will expire on the month and day of your rabies vaccine date regardless of whether or not the rabies certification expires in 2019. Notices for renewals will be sent by January 28, 2019 for any dog that is currently expired. Future renewal notifications will be mailed within 35 days of the expiration date of the license.

*For additional information on licensing requirements please visit
