Time: 1:30 p.m.

CN Train Derailment – 10<sup>th</sup> and 16<sup>th</sup> Streets Remain Closed

The following update is being provided on behalf of St. Clair County Emergency Management. CN crews are continuing to work toward removing the derailed cars from the international St. Clair tunnel from the incident that occurred early Friday morning. 10<sup>th</sup> and 16<sup>th</sup> Streets remain closed from Beard to Cedar at this time to insure safety for both the public and the crews actively working the scene. There continue to be barricades in place delineating the closures. We are requesting the public to please follow the posted detours. CN Police are patrolling the closed areas and are issuing tickets to those that enter the restricted areas.
