

2008 COMPLETE MILLAGE REDUCTION FRACTION COMPUTATION

This form is issued under authority of Sections 311.34d and 211.150, M.C.L. Filing of this form is mandatory. Failure to file is punishable under Section 211.119, M.C.L.

INSTRUCTIONS: The valuations on this form are for a single county. When this valuation information has been obtained from the equalization directors of all the counties which are included within the boundary of the intercounty fractional taxing jurisdictions listed, the 2008 millage reduction fractions can be calculated for those intercounty jurisdictions. The valuation information required by 211.34d, MCL, is the same information needed for P.A. 5 of 1982, Section 211.24e, MCL "Truth in Taxation". A different formula is used for Section 24e than is used for Section 34d, but the 2007 Taxable Value, 2008 Taxable Value, Taxable Value of Losses, and Taxable Value of Additions are the same quantities used in both formulas. **This form is to be filed with the State Tax Commission and with each unit of local government which has taxable property located in more than one county.**

CPI = 1.023
