22.3: In the event of an alleged injury, the Supervisor shall immediately contact the Human Resources Office.

22.4: The County shall provide the employee the opportunity to supplement Worker's Compensation from accrued sick days or disability pay on a leave of absence due to a work related illness or injury. The supplemental compensation shall provide the difference between Worker's Compensation and the employee's normal pay minus Federal, State, local and F.I.C.A. taxes. The supplemental compensation shall be deducted from the employee's accrued sick days or disability pay but in no case exceed the employee's accrued sick days or gross salary.

22.5: When an employee is eligible for Worker's Compensation, the employee shall endorse to the County the Worker's Compensation check and the County shall continue to provide the employee a regular pay check minus normal authorized payroll deductions to the extent of their accrued sick days.

ARTICLE 23 ASSOCIATION BULLETIN BOARD

A. Notices of Association recreational and social events.

ARTICLE 24
RETIREMENT

24.1: All full time regular employees shall upon their date of hire participate in the St. Clair County Employees Retirement Plan. Specific terms and conditions of retirement not herein defined are subject to the terms and conditions provided by the Retirement Plan custodians and shall not be subject to nor require separate union approval.

24.2: The Defined Benefit Pension and the Retiree Health Care Plan are completely separate Retirement Plan programs with separately designated methods for funding set forth in this Agreement. The assets of the separate programs may be commingled for investment purposes but shall be and are separate funds for accounting and actuarial purposes.

24.3: The St. Clair County Retirement System provides eligible employees (hired before 07/01/11) with a Defined Benefit Pension Plan. A defined benefit plan is a retirement plan that establishes an annual and monthly pension amount based on an employee's years of service and final average compensation. Terms and conditions of the Defined Benefit Plan are addressed in the Retirement Plan booklet. Employee contributions are as follows.

- A. The employee shall contribute five percent (5%) of his or her eligible bi-weekly wage as defined in 24.12 of this article.

24.4: Full time regular employees shall have the option to prefund retiree health care coverage by contributing to a Health Care Trust Account. The option is exercised upon date of eligibility to participate in the retirement plan and once exercised is irrevocable. Eligibility for retiree health care coverage is as follows.

- A. An employee subject to the original plan must have eight (8) or more actual years of service contributions in the Retirement Plan to be entitled to health care coverage at no premium cost as a retiree.

- B. An employee subject to the modified plan must have twenty (20) or more actual years of service contributions in the Retirement Plan to be entitled to health care coverage at no premium cost to the retiree.

- C. An employee that chooses not to participate in the prefunding of retiree health care or that does not meet the actual years of service contributions shall be entitled to purchase retiree health care coverage when the employee has eleven (11) or more years of actual years of service contributions to the Retirement System.

- i. The employee upon making an application for retirement must choose to purchase or not purchase health care coverage. The employee, as a retiree, may not choose to purchase health care at a later time. In other words, the employee, as a retiree, must participate in the purchase health care

coverage upon initial retirement or he or she shall be forever ineligible for health care coverage.

- ii. The employee, as a retiree, shall not be entitled to purchase health care coverage intermittently from the Retirement Plan. Failure to pay the monthly premium, whether intentionally or unintentionally disqualifies the retiree for health care coverage. In other words, the retiree shall not be entitled to discontinue and later re-enroll for health care coverage.
- iii. The employee, as a retiree, shall be required to pay the entire premium cost determined by the County on a month-to-month basis as a deduction from his or her monthly pension payment.

24.5: Contributions to the Retiree Health Care Trust Account shall be calculated on the first \$50,000 of an employee's eligible bi-weekly wages as defined in this article. Employees hired before July 1, 2011 shall contribute to the Retiree Health Care Trust Account as follows:

<u>Effective Date</u>	<u>Employee Contribution</u>
07/01/11	2.5%

24.6: An employee shall only be entitled to withdraw his or her contributions to the Defined Benefit Plan upon termination of employment. The employee that withdraws his or her contributions shall be entitled to a rate of interest on the contributions determined by the Retirement Board which shall be consistent with the interest rate attributed to all employee accounts regardless of union affiliation. Pension contributions left in the plan are deferred until such time as when the former employee shall be eligible for a retirement pension.

24.7: An employee shall only be entitled to withdraw his or her contributions to the Retiree Health Care Trust Account upon termination of employment. The employee that withdraws his or her contributions shall terminate all right to receive retiree health care coverage from the plan at no premium cost to the retiree.

The employee that leaves his or her contributions in the Retiree Health Care Plan Trust Account shall only be entitled to health care coverage in conjunction with receiving a pension.

The employee that leaves his or her contributions in the Retiree Health Care Trust Account but who has insufficient actual years of services to qualify for coverage shall be entitled to purchase coverage when meeting all the terms and conditions stipulated.

24.8: An employee shall have the option to contribute to a 457 Deferred Compensation Plan rather than contribute to the Retiree Health Care Trust Fund Account. An employee must elect their option not later than August 1, 2011. An employee that contributes to the 457 Deferred Compensation Plan shall not be entitled to retiree health care paid by the Retirement System upon retirement. Terms and conditions of the 457 Deferred Compensation Plan follow:

- A. Effective upon the earliest possible date following ratification of the agreement by the parties, the employee shall be entitled to select one of the following contribution options to be matched by the County.

<u>Employee Contribution</u>	<u>County Contribution</u>
1.0%	0.5%
2.0%	1.0%
3.0%	1.5%
4.0%	2.0%
5.0%	2.5%

B. "ALL CONTRIBUTIONS" to the 457 Deferred Compensation Plan shall mean the contributions of the employee and the County. Contributions shall mean all contributions except as otherwise defined.

C. Upon retirement the employee may at his or her discretion use contributions to the 457 Deferred Compensation Plan to purchase retiree health care from the Retirement System provided the employee has a minimum of eleven (11) or more years of contributed service in the Retirement System.

D. An employee must elect or not elect to contribute to the 457 Deferred Compensation Plan upon full time regular employment with the County. The election once executed is irrevocable. Employees wishing to adjust their employee contribution election amount, may do so in accordance with the terms of the 457 Plan and applicable County policy.

E. An employee shall not be entitled to contribute to the Retiree Health Care Trust Fund Account and the 457 Deferred Compensation Plan at the same time. An employee shall have the option to contribute to a 457 Deferred Compensation Plan account rather than contribute to the Retiree Health Care Trust Fund Account. An employee that contributes to the 457 Deferred Compensation Plan shall not be entitled to retiree health care paid by the Retirement System upon retirement.

24.9: A retiring employee subject to the original retirement plan shall be entitled to a multiplier of two percent (2%) for each year of employment. The multiplier shall not exceed seventy-five percent (75%) upon attaining thirty-seven (37) years and six months (6) of actual years of service, including purchased military service time. Final average compensation shall be calculated on the best three (3) years of the last ten (10) years of eligible compensation.

24.10: A retiring employee subject to the modified retirement plan shall be entitled to final average compensation multiplied by years of service in accordance with the following schedule:

<u>Years of Service</u>	<u>Annual Multiplier</u>
1 through 10	1.75% - accumulative
11 through 19	2.00% - accumulative
20 through 24	2.00% - retroactive to date of hire
25 and above	2.40% - retroactive to date of hire

Upon attaining the twentieth (20th) year, the multiplier shall be retroactive to the first year. The multiplier maximum accrual shall not exceed seventy (70%) percent for employees hired on or after July 1, 2006. The multiplier maximum for employees hired prior to July 1, 2006 shall not exceed seventy-five percent (75%). The final average compensation shall be calculated on the best three [3] years of the last ten [10] years of eligible compensation.

24.11: An employee shall be eligible to a retirement pension based upon one of the following options.

- A. The employee's combined years and months of actual service and age equal eighty (80) years, provided the employee shall also have completed twenty-five (25) actual years of service; or,
- B. The employee has attained the age of sixty (60) years with eight (8) actual years of service contributions; or,
- C. The employee has attained the age of fifty-five (55) years with twenty-five (25) years of service, including reciprocity and/or purchased military service; or,
- D. Actual years of service shall mean that period of time employed and contributing to the St. Clair County Employees Retirement Plan and excluding, by way of example, reciprocity through other retirement plans or the purchase of military service time.

24.12: Retirement shall be computed on the base salary only and shall not include compensation from;

- A. Overtime or compensatory time payoff.
- B. Vacation day accrual payoff upon separation from employment for any reason.
- C. Sick day accrual payoff upon separation from employment for any reason.

24.13: Full time employees hired on or after July 1, 2011 shall not be eligible for a Defined Benefit Plan; instead, these employees shall be entitled to a Defined Contribution Retirement Plan.

The Defined Contribution Plan has distinct differences from the Defined Benefit Retirement Plan: there is no guarantee of a specific benefit, only what the employee decides to withdraw upon termination from employment; the employee chooses how to direct his or her investment. The employee should fund this plan with the goal to cover both pension and retiree healthcare needs. The benefit is portable.

The employee may contribute up to a maximum of 8% of total wages through payroll deduction each pay period. Wages is defined as W-2 compensation less fringe benefits, bonuses, overtime, off schedule payments and longevity, etc. Employees wishing to adjust their employee contribution election amount, may do so in accordance with the terms of the 457 Plan and applicable County policy.

The County will match the employee contribution dollar for dollar up to a maximum of 8% of total wages. The County match is subject to forfeiture by the employee based on a 5 year graded vesting schedule:

<u>Years of Service</u>	<u>Vesting Amount</u>
1 year of service	20%
2 years of service	40%
3 years of service	60%
4 years of service	80%
5 years of service	100%

For example: if an employee participating in the Defined Contribution Plan terminates employment with two (2) years of service, the employee would receive 40% of the County match. The remaining 60% would be forfeited and used to reduce future County match obligations to other participants.

Retirement age: Age 65 or the age at which Participants have the right to retire and receive, under the basic defined benefit pension plan of the employer, immediate retirement benefits without actuarial or similar reduction because of retirement before some later specified age.

ARTICLE 25 EDUCATIONAL REIMBURSEMENT

25.2: Request for reimbursement must be made in writing and shall include a description of the course, the beginning and concluding date of the course, the cost of tuition, fees and supplies (such as books, manuals, or special materials) and, if applicable, grants, aids, or scholarships available or provided.

25.3: Approval of the request for reimbursement shall be contingent upon available funding, to a maximum of \$500 per course, the relevancy of the course to the employee's job, and the employee obtaining a passing grade in the course. The Chief Judge or designee of the Chief Judge shall have the right to approve or deny a request for reimbursement for all or part of any tuition, fees, and/or supplies as provided in Section 4 below. Chief Judge or designee of the Chief Judge approval, if granted, must be in writing and shall stipulate the extent of tuition, fees, and/or supplies to be reimbursed. The request shall be considered to be denied in the absence of written approval.

25.4: An employee shall have at least one year of full time service with the Court to be eligible for consideration. In the event the employee does not continue employment for one (1) year following completion of one course or two (2) years following completing two or more courses or obtaining a degree or certificate, the employee shall repay all the reimbursement to the Court.

25.5: An employee who successfully completes a course, with or without reimbursement, shall not necessarily be entitled to an automatic promotion, extraordinary advancement in the salary range, or a higher classification based upon completion of the course or attainment of a degree or certification.

25.6: An employee shall be entitled, with written authorization from the Court, to attend class or complete class assignments during their regularly scheduled working hours at the expense of the Court. The employee shall not be entitled to utilize the resources of the Court including supplies, equipment, or personnel without supervisory approval. Failure to comply without either provision may result in forfeiture of reimbursement for course expenditures or discipline including discharge or both.
