WHO SHOULD ATTEND:

This event is open to everyone interested in the future of City of St. Clair and the surrounding Blue Water Region. Business owners, elected officials, organizations, educators and residents are encouraged to attend.

DESCRIPTION:

FIT helps communities learn about their strengths and weaknesses through the eyes of first time visitors. In 2019, City of St. Clair was successful in applying for FIT. As a result, they received five unannounced visitors unfamiliar with the community during summer 2019. The results of their visit will be shared during this evening forum. Community leaders and residents will be present to hear results, listen to suggestions, and guide next steps.
