27.3: An employee shall be eligible to use sick days, upon satisfactory completion of the orientation period, for personal illness or serious or critical illness to their spouse, parent or child. The employee shall also be eligible to use up to a maximum of five (5) sick days as funeral leave to a member of the immediate family as defined and limited: spouse, child, step-child, sibling, grand parent, sister-in-law, brother-in-law, mother, father, step-parent, grandchild or immediate family member of the spouse according to the preceding definition. The employee shall be required to provide proof of illness to spouse, parent or child and/or death of immediate family member.

Proof required status shall mean the employee must provide a statement from their attending physician indicating the nature of the illness in order to be eligible for sick day pay. The employee shall be on proof required status for six (6) calendar months. The employee who fails to provide appropriate medical verification shall not only be denied sick day compensation, but shall be subject to discipline.
27.6: Sick days may be taken in place of normally scheduled work days, excluding holidays.

27.7: An employee shall be eligible for salary continuation when an illness or injury extends beyond twenty (20) consecutive work days. Compensation shall commence the twenty-first (21st) work day and shall provide two-thirds (2/3) of the disabled employee's normal pay before all payroll deductions, including taxes and F.I.C.A. Salary continuation shall be for a period of five (5) years. Verification of a continuing medical disability may be required by the County in order to provide salary continuation. Salary continuation shall be offset by benefits derived from the County's Retirement Plan and/or Social Security.

27.8: The County shall provide the disabled employee salary continuation from the twenty-first (21st) work day to the one hundred and eighty-eighth (180th) calendar day from disability. During the period that the County provides the disabled employee salary continuation, the employee shall be entitled to continuation of the fringe benefits.

27.9: The disabled employee shall not be ineligible for salary continuation for refusal to accept an offer of work in a classification reasonably equivalent to the classification held at the time of disability.

27.10: Commencing the one hundred and eighty-first (181st) calendar day salary continuation shall be provided by an insurance carrier of the County's choice or by the County at the County's discretion. At such time the disabled employee shall not be eligible for fringe benefits. Be it provided, however, that the disabled employee shall be entitled to obtain group health insurance through the County in accordance with the following safeguards and conditions.

* 5 years from date of disability
* $4,000 monthly maximum

B. __OPTION I

* 70% of base salary
* Benefit to age 65
* $6,000 monthly maximum

The employee election Option I shall pay, by bi-weekly payroll deduction, the difference in premium between the Core Option and Option I at the County's Group Rate.

27.12: Nothing shall prohibit the County from offering the employee a redemption in lieu of salary continuation. Be it provided, however, that the employee shall have sole responsibility to accept or reject a redemptive offer.

27.13: The employee shall be eligible to supplement disability compensation with sick days, compensatory time and /or vacation on a ratio of one (1) vacation day to three (3) days of absence in order to remain at full normal gross salary.

27.14: When an employee's illness or physical condition raises the question of fitness to perform normal duties, or if the employee exhibits questionable attendance, the Supervisor may require the employee to submit to a physical examination and the County shall pay the expenses incurred.

27.15: An employee on an approved disability leave using sick days, salary continuation or disability insurance shall be subject to all the provisions of Article 21 - Leave of Absence.

27.16: The employee must promptly notify their Supervisor of their absence or be subject to discipline.

27.17: Upon termination of employment, an employee with accrued sick days shall be entitled to receive compensation to a maximum accrual of thirty (30) sick days based upon the following graduated schedule of months of service.

NOW, THEREFORE, in consideration of the above, and in consideration of the promises and mutual covenants hereinafter contained, the parties hereto agree as follows:
I. GENERAL PROVISIONS

A. Agency's Source of Funds-Termination

The Agency's payment of funds for purposes of this Agreement is subject to and conditional upon the availability of funds for such purposes, being Federal and State funds. No commitment is made by the Agency to continue or expand such activities. The Agency may terminate this Agreement immediately upon written notice to the Contractor and Court at any time prior to the completion of this Agreement if, in the opinion of the Agency Director, funding becomes unavailable for this service or such funds are restricted.

B. Fees and Other Sources of Funding

The Contractor and Court guarantee that any claims made to the Agency under this Agreement shall not be financed by any source, including client fees, other than the Agency under the terms of this Agreement. If funding is received through any other source, the Contractor and Court agree to delete from Contractor and Court billings, or to immediately refund to the Agency, the total amount representing such duplication of funding.

C. Review and Monitoring Reports

The Contractor and Court shall comply with all program and fiscal review reporting procedures at time intervals and on specified forms as established by the Agency on the beginning date of this Agreement. Any additional reports which the Agency proposes to be completed by the Contractor or Court shall be completed pursuant to agreement by the parties to this Agreement.

D. Examination and Maintenance of Records

The Contractor and Court shall permit the Agency or any of its identified agents access to the facilities being utilized at any reasonable time to observe the operation of the program. Further, the Contractor and Court shall retain all books, records or other documents relevant to this Agreement for five (5) years after final payment, at their cost, and Federal auditors and any persons duly authorized by the Agency shall have full access to and the right to examine and audit any of said material during said period. If an audit is initiated prior to the expiration of the five-year period, and extends past that period, all documents shall be maintained until the audit is completed. The Agency shall provide findings and recommendations of audits to the Contractor and Court. The Agency shall adjust future payments or final payment if the findings of an audit indicate over or under payment to the Contractor in the period prior to the audit. If no payments are due and owing the Contractor, the Contractor shall immediately refund all amounts which may be due the Agency.
E. **Insurance Coverages**

The Contractor and Court shall provide and maintain public liability insurance in such amounts as necessary to cover all claims which may arise out of the Contractor or Court’s operations under the terms of the Agreement. Unemployment compensation coverage, and worker’s compensation insurance shall be maintained in accordance with applicable federal and state law and regulations.

The Contractor and Court shall comply with the Americans with Disabilities Act of 1990 (ADA), P.L. 101-336, 104 Stat. 328, which prohibits discrimination against individuals with disabilities and provides enforcement standards. Further, the Contractor and Court shall comply with all other federal, state or local laws, regulations and standards, and any amendments thereto, as they may apply to the performance of this Agreement.

G. **Royalties and Copyright**

The Agency reserves a royalty-free nonexclusive license to use and authorize others to use all written or visual material or other work products developed in connection with this Agreement, including all copyrightable or copyrighted materials.

H. **Confidentiality**

The use or disclosure of information concerning clients obtained in connection with the performance of this Agreement shall be restricted to purposes directly connected with the administration of the programs implemented by this Agreement and as required by federal regulations and state statute.
I. Property Title

Title to all Non-Child Support Enforcement System (CSES) property, real or personal, furnished by the Agency for use by the Contractor and Court in the performance of this Agreement shall remain in the Agency. Upon expiration of this Agreement or any extension thereof, the Contractor and Court agree to return said property to the Agency or pay the then current fair market value thereof to the Agency. However, in the event that any such property is only partially funded by the Agency, the Contractor or Court shall return said property to the Agency or pay the Agency that portion of the current fair market value of such item which is in the same percentage as the Agency's contribution to the original purchase price. Where property in which the Agency has an interest is traded for other property, the Contractor and Court shall maintain continuing records to account for the Agency's financial interest in such subsequent acquisitions.

J. Subcontracts

The Contractor or Court shall not assign this Agreement or enter into subcontracts which will be paid in whole or part using money received through this Agreement without obtaining prior written approval of the Agency. The Agency, as a condition of granting such approval, shall require that such assignees or subcontractors shall be subject to all conditions and provisions of this Agreement. The Contractor and Court shall be responsible for the performance of all assignees or subcontractors, and shall insure the subcontracted agents comply with all provisions of this Agreement.

K. Continuation

In the event that the Contractor and Court have submitted to the Agency an application for a Cooperative Reimbursement Agreement and, because of circumstances beyond the control of either the Contractor, Court, or the Agency, the Agreement cannot be concluded to take effect at the start of the new Agreement period, the delaying party shall immediately confirm in writing said circumstances and the anticipated date that the Agreement can be concluded. The Agreement in existence shall, with the approval of all parties, be extended for a period not to exceed sixty (60) calendar days from the original concluding date of the existent Agreement. Should any party not choose to extend the existent Agreement, that party shall immediately notify the others in writing.

L. Cancellation of Agreement

The Agency reserves the right to cancel this Agreement by giving sixty (60) calendar days written notice to the Contractor and Court. The Contractor or Court may terminate this Agreement upon sixty (60) calendar days written notice to the Agency at any time prior to the completion of the Agreement period.
M. Closeout/Extension

When this Agreement is concluded or terminated, the Contractor and Court shall provide the Agency, within sixty (60) calendar days after conclusion or termination, with all financial, performance and other reports required as a condition of the Agreement, unless written extension is granted by the Agency for extenuating circumstances.

The Agency shall make payments to the Contractor for allowable reimbursable costs not covered by previous payments. The Contractor shall immediately refund to the Agency any payments or funds advanced to the Contractor in excess of allowable reimbursable expenditures.

N. Continuing Responsibilities

Termination, conclusion, or cancellation of this Agreement shall not be construed so as to terminate the ongoing responsibilities or rights of the parties as provided in the clauses titled Examination and Maintenance of Records and Closeout/Extension in Section I.

O. Dispute Resolution

1. Local Resolution

All parties agree to make a good faith attempt to resolve disputes. Resolution of any dispute shall first be attempted at the local level by County Contractor, Prosecuting Attorney, Friend of the Court (FOC) and the Agency’s Office of Child Support (OCS) District Managers, as appropriate.

2. Second Stage Resolution

If it appears a dispute cannot be resolved at the local level, the aggrieved party shall notify the other parties and the Director of the Office of Child Support, in writing, regarding the nature of the dispute and the efforts made to resolve the dispute. Within sixty (60) calendar days of this notification, the parties and the OCS Director or designees shall meet to attempt resolution of the dispute.

3. Formal Notice of Intent

The Contractor and Court shall notify the Agency in writing of their intent to pursue a claim against the Agency for breach of any terms of this Agreement. No suit may be commenced by the Contractor or Court for breach of this Agreement prior to the expiration of ninety (90) calendar days from the date of such notification. Within this ninety (90) day period, the Contractor and Court, at the request of the Agency, must meet with the Director of the Agency or designee for the purpose of attempting resolution of the dispute. Formal Notice of Intent action shall not be commenced until resolution has been initiated as described in
1 and 2 above. However, these paragraphs do not restrict the right to invoke and cancel under the clause Cancellation of Agreement in Section I.

4. **Continuation of Services and Payment**

Prior to commencement and during the pendency of a dispute or a suit for breach of this Agreement, services shall continue to be provided as set forth in this Agreement and payment for such services by the Agency shall continue without interruption, except as provided in the Payment clause, in Section III of this Agreement.

P. **Amendment**

This Agreement may be amended, at the request of any party, only by the written consent of all the parties hereto. If the Contractor or Court refuses to sign an amendment, the Agency may terminate this Agreement at the end of sixty (60) calendar days from the date of request to amend. The Contractor and Court shall suffer no liability to the Agency for refusing to agree to said amendment, and said refusal shall not constitute a breach of this Agreement.

Q. **Termination - Unfair Labor Practice**

The Agency may void this contract upon fifteen (15) calendar days notice if the name of the Contractor or Court, or the name of a subcontractor, manufacturer, or supplier of the Contractor or Court, subsequently appears in the register compiled pursuant to Section 2 of Act 278, P.A. 1980. D. Statewide Automated System

The Contractor and Court agree to cooperate in meeting the federal requirement of a statewide automated system.
E. Applicable Costs

The Contractor and Court, as subrecipients of Federal Financial Assistance, agree to abide by applicable provisions of the Cost Principals for State and Local Governments issued in the Federal Office of Management and Budget Circular No. A-87. This circular provides cost principles to be used in determining the availability of Federal Financial Assistance for Child Support Enforcement activities under Title IV-D of the Social Security Act. If any staff funded in part or whole by IV-D funds do not work full time on IV-D matters, detailed time-records for such employees are required to document the amount of time spent on reimbursable activities.

F. Billing Method

The Actual Cost Reimbursement Method shall be used to claim reimbursement under this Agreement. The Cooperative Reimbursement Budget is attached hereto and made a part of this Agreement. The Budget and Application detail the amount and object of expenditures for which the Contractor and Providers shall use funds paid under this Agreement. The Contractor and Providers shall follow and adhere to the Budget. Only costs actually expended may be billed. However, expenditures up to $3,000 above the direct cost line item budget categories are permissible provided the sum of all expenditures does not exceed the total amount of the Agreement.

The Contractor and Providers must obtain written approval from the Agency to increase or decrease line items in the budget by more than $3,000. The Contractor and Provider's request for the Agency's approval must contain sufficient information to allow the Agency to identify which budget line items are to be increased, which line items are to be decreased, the reason for change, the programmatic impact of the budget changes and must stay within the originally approved budget total. The person authorized to approve budget revisions is the Director of the Office of Child Support.

Actual costs may include the cost of fringe benefits provided for the Contractor and Court employees funded by this Agreement, in the same proportion as those employees are engaged in IV-D reimbursable activities. Further, those fringe benefits shall be no greater than fringe benefits provided to similar non-IV-D employees. Fringe benefits may include longevity, vacation, personal leave, holiday, sick leave, medical, dental, optical, life insurance, disability insurance, retirement, social security, workers compensation, and unemployment insurance.

G. Billing Procedure

The Contractor and Court shall complete a monthly "Title IV-D Cooperative Reimbursement Expenditure Report," (Form DSS/FIA-286) detailing program-related expenditures. To request funding for Parenting Time and Custody, complete the column including number and costs of positions performing these services. be submitted within fifteen (15) working days from the end of the monthly billing period to the District Contract Manager.

H. Bonding of Employees

The Contractor and Court agree to assure that every person who, as a regular part of his or her employment, receives, disburses, handles, or has access to support collections shall be covered by a bond or insurance, or be self-insured with the approval of the Agency, in an amount sufficient to protect against loss resulting from employee dishonesty.

III. AGENCY DUTIES AND RESPONSIBILITIES

A. Program Administration

The Agency, as a recipient of Federal Financial Assistance, shall administer the Title IV-D program in Michigan, and shall maintain the approved Title IV-D State Plan consistent with federal requirements. The Agency will distribute program regulations, forms and instructions to the Contractor and Court through the Manual for Friend of the Court, Section 4000 and Friend of the Court Letter Series.

B. Payment

The Agency shall complete its processing of payments to the Contractor within thirty (30) calendar days after receipt of the Contractor's monthly DSS/FIA-286, "Title IV-D Cooperative Reimbursement Expenditure Report," detailing program related expenditures. Further, the Agency shall make payment as allowed by the federal waiver dated October 5, 1994, effective January 1, 1995, for Parenting Time and Custody activity detailed on the DSS/FIA 286. Payment shall be made in accordance with the budget attached to and part of this Agreement. For DSS/FIA-286's submitted after the due date the Agency reserves the right to delay processing and payment to the next available cycle.

The Agency reserves the right to defer or disallow payment of any claim submitted by the Contractor and Court for failure to document and provide records, statistics, and reports to the Agency as required by this Agreement or as are required by applicable state statutes and federal regulations.

C. Program Compliance Monitoring and Evaluation

The Agency shall monitor and evaluate Court performance for compliance with Federal Title IV-D Program regulations and the terms of this Agreement. Performance compliance will be measured against federal program audit standards established to ensure that program services are administered effectively and efficiently. The Agency shall request corrective action when a program compliance evaluation indicates areas of substantial noncompliance with the terms of this Agreement on the part of the Court.
D. Maximum Amount of Agreement

The maximum amount of this agreement as appropriated by the Contractor is ONE MILLION SEVEN HUNDRED SEVENTY-THREE THOUSAND FOUR HUNDRED SEVENTY-NINE AND 00/100 DOLLARS ($1,773,479.00). The maximum amount of costs to be reimbursed by the Agency shall be the State share of actual expenditures during the life of this agreement up to the maximum of the Title IV-D program net budget, a copy of which is attached hereto and made a part hereof.
IN WITNESS WHEREOF, the Agency and Contractor have caused this Agreement to be executed by their respective officers duly authorized to do so.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this contract, grant, loan or cooperative agreement, the undersigned shall complete and submit standard Form-LLL, “Disclosure Form to Report Lobbying,” in accordance with its instructions.

NEW RESTRICTIONS ON LOBBYING

(a) Definitions. As used in this clause:

"Agency", as defined in 5 U.S.C. 552(f), includes Federal executive departments and agencies as well as independent regulatory commissions and Government corporations, as defined in 31 U.S.C. 9101(1).

"Covered Federal Action" means any of the following Federal actions:

(1) The awarding of any Federal contract;
(2) The making of any Federal grant;
(3) The making of any Federal loan;
(4) The entering into of any cooperative agreement; and modification of any Federal contract, grant, loan, or cooperative agreement.

"Covered Federal Action" does not include receiving from an agency a commitment providing for the United States to insure or guarantee a loan.

"Indian Tribe" and "Tribal Organization" have the meaning provided in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450B). Alaskan Natives are included under the definitions of Indian tribes in that Act.

"Influencing or attempting to influence" means making, with the intent to influence, any communication to or appearance before an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any covered Federal action.

"Local government" means a unit of government in a State and, if chartered, established, or otherwise recognized by a State for the performance of a governmental duty, including a local public authority, a special district, an intrastate district, a council of governments, a sponsor group representative organization, and any other instrumentality of a local government.

"Officer or employee of an agency" includes the following individuals who are employed by an agency:

(1) An individual who is appointed to a position in the Government under title 5, U.S. Code, including a position under a temporary appointment;
(2) A member of the uniformed services as defined in Section 101(3), title 37, U.S. Code;
(3) A special Government employee as defined in section 202, title 18, U.S. Code; and
(4) An individual who is a member of a Federal advisory committee, as defined by the Federal Advisory Committee Act title 5, U.S. Code appendix 2.
"Person" means an individual, corporation, company association, authority, firm, partnership, society, State, and local government, regardless of whether such entity is operated for profit or not for profit. This term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

"Reasonable compensation" means; with respect to a regularly employed officer or employee of any person, compensation that is consistent with the normal compensation for such officer or employee for work that is not furnished to, not funded by, or not furnished in cooperation with the Federal Government.

"Reasonable payment" means, with respect to professional and other technical services, a payment in an amount that is consistent with the amount normally paid for such services in the private sector.

"Recipient" includes all contractors and subcontractors at any tier in connection with a Federal contract. The term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

"Regularly employed" means, with respect to an officer or employee of a person requesting or receiving a Federal contract, an officer or employee who is employed by such person for at least 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person for receipt of such contract. An officer or employee who is employed by such person for less than 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person shall be considered to be regularly employed as soon as he or she is employed by such person for 130 working days.

"State" means a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, a territory or possession of the United States, an agency or instrumentality of a State, and a multi-State, regional, or interstate entity having government duties and powers.

(b) Prohibition.

(1) Section 1352 of title 31, U.S. Code provides in part that no appropriated funds may be expended by the recipient of a Federal contract, grant, loan, or cooperative agreement to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or any employee of a Member of Congress in connection with any of the following covered Federal actions: the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan or cooperative agreement.
(2) The prohibition does not apply as follows:

(i) Agency and legislative liaison by Own Employees.

(A) The prohibition on the use of appropriated funds, in paragraph (1) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(B) For purposes of paragraph (A) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(C) For purposes of paragraph (A) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

(i) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and,

(ii) Technical discussions and other activities regarding the application of adaptation of the person's products or services for an agency's use.

(D) For purposes of paragraph (A) of this section, the following agency and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

(i) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(ii) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

(iii) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95-507 and other subsequent amendments.

(E) Only those activities expressly authorized by paragraph (i) of this section are allowable under paragraph (i).
(ii) Professional and technical services by own employees.

(A) The prohibition on the use of appropriated funds, in paragraph (1) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract or an extension, continuation, renewal, amendment, or modification of a Federal contract if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract.

(B) For purposes of paragraph (A) of this section, "professional and technical services" shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(C) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(D) Only those services expressly authorized by paragraph (ii) of this section are allowable under paragraph (ii).
(iii) Reporting for Own Employees

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

(iv) Professional and technical services by Other than Own Employees

(A) The prohibition on the use of appropriated funds, in paragraph (1) of this section, does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract.

(B) For purposes of paragraph (A) of this section, "professional and technical services" shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(C) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.
(D) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(E) Only those services expressly authorized by paragraph (iv) of this section are allowable under paragraph (iv).

(c) Disclosure

(1) Each person who requests or receives from an agency a Federal contract shall file with that agency a certification indicating that the person has not made, and will not make, any payment prohibited by paragraph (b) of this clause.

(2) Each person who requests or receives from an agency a Federal contract shall file with that agency a disclosure form, Standard form-LLL, "Disclosure of Lobbying Activities," if such person has made or has agreed to make any payment using non-appropriated funds (to include profits from any covered Federal action), which would be prohibited under paragraph (b) of this clause if paid for with appropriated funds.

(3) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraph (2) of this section. An event that materially affects the accuracy of the information reported includes:

(i) A cumulative increase of $25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

(ii) A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or,

(iii) A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.

(4) Any person who requests or receives from a person referred to in paragraph (1) of this section a subcontract exceeding $100,000 at any tier under the Federal contract shall file a certification, and a disclosure form, if required, to the next tier above.

(5) All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the person referred to in paragraph (1) of this section. That person shall forward all disclosure forms to the agency.
(d) Agreement

In accepting any contract resulting from this solicitation, the person submitting the offer agrees not to make any payment prohibited by this clause.

(e) Penalties

(1) Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such expenditure.

(2) Any person who fails to file or amend the disclosure form to be filed or amended if required by this clause, shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(3) Contractors may rely without liability on the representations made by their subcontractors in the certification and disclosure form.

(f) Cost allowability

Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of Part 31 of the Federal Acquisition Regulation.

The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. Use the SF-LLL-A Continuation Sheet for additional information if the space on the form is inadequate. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence the outcome of a covered Federal action.

2. Identify the status of the covered Federal action.

3. Identify the appropriate classification of this report. Subrecipients include but are not limited to subcontracts, subgrants and contract awards under grants.

5. If the organization filing the report in item 4 checks "Subrecipient", then enter the full name, address, city, state and zip code of the prime Federal recipient. Include Congressional District if known.

6. Enter the name of the Federal agency making the award or loan commitment. Include at least one organizational level below agency name, if known. For example, Department of Transportation, United States Coast Guard.

Include prefixes, e.g., "RFP-DE-90-001."

9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in Item 4 or 5.

10. (a) Enter the full name, address, city, state and zip code of the lobbying entity engaged by the reporting entity identified in Item 4 to influence the covered Federal action.

REPORT TO:       St. Clair County Board of Commissioners
FROM:           John A. McClellan, Acting Director
DATE:           November 12, 1997
SUBJECT:        Adoption of 1997 Apportionment Report Labeled
                Exhibit "A" and dated October 8, 1997

Attached is a copy of the 4 page Apportionment Report (State Form
L-4022) dated October 8, 1997, along with a copy of the adopting
resolution.

It is required by state law to be adopted during the "October"
session even though some millage rates may still be pending and
would require "re-adoption" as amended at a later date.

Also attached are 3 pages of rates listed in the grouping is which
they are levied, and a 4th page listing the changes in each rate
from last year's rate. These 4 pages present a more understandable
picture of the rates than the official Form L-4022. However, only
the official form is to be adopted.

AGREEMENT FOR A FEDERAL/STATE/LOCAL
AIRPORT PROJECT
UNDER THE BLOCK GRANT PROGRAM

THIS AGREEMENT is made and entered into this date of ________________, by and between the Michigan Department of Transportation, hereinafter referred to as the DEPARTMENT, and the Board of Commissioners of the County of St. Clair, hereinafter referred to as the SPONSOR, for the purpose of fixing the rights and obligations of the parties in agreeing to the following undertaking at the St. Clair County International Airport whose associated city is Port Huron, Michigan, hereinafter referred to as the PROJECT and estimated in detail on Exhibit 1, dated September 29, 1997, attached hereto and made a part hereof.

Design for rehabilitation of Taxiway B and medium intensity taxiway lights as more clearly defined in Contract No. FM 77-03 C58 as approved by the DEPARTMENT.

WITNESSETH:

WHEREAS, the PROJECT is eligible for federal funding pursuant the Airport and Airway Improvement Act of 1982 as amended and/or the Aviation Safety and Noise Abatement Act of 1979, and

WHEREAS, the DEPARTMENT has received a block grant from the Federal Aviation Administration (FAA) for airport development projects, and

WHEREAS, the DEPARTMENT is responsible for the allocation and management of block grant funds pursuant to the above noted act,

NOW, THEREFORE, it is agreed:

1. The term PROJECT COST, as herein used, is defined in Attachment(s) 1. PROJECT COST shall also include administrative costs incurred by the DEPARTMENT in connection with the PROJECT. Administrative costs incurred by the SPONSOR are not an eligible PROJECT COST.
THE SPONSOR SHALL:

2. Enter into a contract with a consultant for each element of the PROJECT which requires such expertise. The consultant shall be selected in conformance with FAA Advisory Circular 150/5100-14. The DEPARTMENT shall select the consultant for each element of the project involving preparation of environmental documentation. The SPONSOR shall select the consultant for all other aspects. All consultant contracts shall be submitted to the DEPARTMENT for review and approval. Any such approvals shall not be construed as a warranty of the consultant’s qualifications, professional standing, ability to perform the work being contracted, or financial integrity. The SPONSOR shall not execute a consultant contract nor authorize the consultant to proceed prior to receiving written approval of the contract from the DEPARTMENT. Any change to the consultant contract requires prior written approval of the DEPARTMENT. In the event the consultant contract is terminated, the DEPARTMENT shall be given immediate written notice by the SPONSOR.

3. Make payment to the DEPARTMENT for the SPONSOR’s share of PROJECT COSTS within thirty (30) days of the billing date. The DEPARTMENT will not make payments for any PROJECT work prior to receipt of payment from the SPONSOR for the SPONSOR’s share of that item of PROJECT work.

   Eligible PROJECT COSTS which are paid by the SPONSOR may be submitted for credit towards the SPONSOR’s share of the PROJECT COST provided it is submitted within 180 days of the date the costs were incurred or 180 days of execution by both parties of this agreement, whichever is later. Documentation of payment of PROJECT COST shall include copies of the invoices and copies of both sides of the cancelled checks. The amount of the SPONSOR billing will be reduced by the amount of the eligible credit, based on documentation submitted, provided it is submitted prior to the date of the billing. Should it be determined that the SPONSOR has been given credit for payment of ineligible items of work, the SPONSOR will be billed an amount to insure that the SPONSOR share of PROJECT COSTS are covered.

   The SPONSOR hereby pledges a sufficient amount of funds to meet its obligations.

4. Upon written notice from the DEPARTMENT, repay any disallowed items of cost previously disbursed by the DEPARTMENT. Deficiencies billed to the SPONSOR shall be paid within sixty (60) days of the billing date. If the SPONSOR has not made arrangements to make payment within sixty (60) days, the DEPARTMENT may withhold monies from present or future contracts and may pursue any other remedy to recover such deficiencies.

5. 
   a. Establish and maintain accurate records, in accordance with generally accepted accounting principles, of all expenses incurred for which payment is sought or made under this Agreement, said records to be hereinafter referred to as the "RECORDS". Separate accounts shall be established and maintained for all costs incurred under this Agreement.
b. Maintain the RECORDS for at least six (6) years from the date of final payment of Federal Aid made by the DEPARTMENT under this Agreement. In the event of a dispute with regard to the allowable expenses of any other issue under this Agreement, the SPONSOR shall thereafter continue to maintain the RECORDS at least until that dispute has been finally decided and the time for all available challenges or appeals of that decision has expired.

c. Allow the DEPARTMENT, or its representative, to inspect, copy, or audit the RECORDS at any reasonable time after giving reasonable notice.

d. If any part of the work is subcontracted, the SPONSOR shall assure compliance with subsections (a), (b), and (c) above for all subcontracted work.

6. Provide, and will require its subcontractors to provide, access by the DEPARTMENT or its representatives, to all technical data, accounting records, reports, and documents pertaining to this Agreement. Copies of technical data, reports, and other documents shall be provided by the SPONSOR or its subcontractors to the DEPARTMENT upon request. The SPONSOR agrees to permit representatives of the DEPARTMENT to inspect the progress of all PROJECT work at any reasonable time. Such inspections are for the exclusive use of the DEPARTMENT and are not intended to relieve or negate any of the SPONSOR'S obligations and duties contained in this Agreement. All technical data, reports, and documents shall be maintained for a period of six (6) years from the date of final payment.

7. In the performance of the PROJECT herein enumerated, by itself, by a subcontractor, or by anyone acting in its behalf, agree that they will comply with any and all state, federal, and applicable local statutes, ordinances, and regulations. The SPONSOR further agrees to obtain all permits that are applicable to the entry into and the performance of this Agreement.

In addition, the SPONSOR agrees to comply with the Assurances contained in Appendix "E" (PP-A-1) and the Special Conditions set forth in Appendix "F" attached hereto and made a part hereof.

THE DEPARTMENT SHALL:

8. Bill the SPONSOR for the SPONSOR's share of estimated PROJECT COST. The DEPARTMENT will bill the SPONSOR for the SPONSOR's share of additional estimated PROJECT COST for changes approved in accordance with Section 11 at the time of execution of the amendment for approved work.

9. Upon receipt of payment request approved by the SPONSOR, make payment for eligible PROJECT COSTS. The DEPARTMENT will seek reimbursement from the FAA, through the block grant issued to the DEPARTMENT, for funds expended on eligible PROJECT COSTS. The DEPARTMENT will not make payments for any PROJECT work prior to receipt of payment from the SPONSOR for the SPONSOR's share of that item of PROJECT work.

BLOCKGRANT
10. Make final accounting to the SPONSOR upon completion of the PROJECT, payment of all PROJECT COSTS, and completion of necessary audits. Any excesses or deficiencies will be returned to or billed to the SPONSOR.

IT IS FURTHER AGREED:

11. The PROJECT COST participation is estimated to be as shown below and as in the attached Exhibit 1. Exhibit 1 is to be considered an estimate. The actual DEPARTMENT, FAA, and SPONSOR share of the PROJECT COST will be determined at the time of financial closure of the FAA grant.

12. The PROJECT COST shall be met in part with federal funds granted to the DEPARTMENT by FAA through the block grant program and by DEPARTMENT funds. Upon final settlement of costs, the federal funds will be applied to the eligible items of PROJECT COST at the rate of 90 percent up to the maximum obligation shown in Section 11 or as revised in the Budget Letter discussed in Section 14. The DEPARTMENT funds will be applied to the balance of the PROJECT COST at a rate of 50 percent for those items eligible for state participation up to the maximum obligation shown in Section 11 or as revised in the Budget Letter. Any items of PROJECT COST not funded with FAA or DEPARTMENT funds will be the sole responsibility of the SPONSOR.

13. The SPONSOR hereby agrees the costs reported to the DEPARTMENT for this Agreement shall represent only those items which are properly chargeable in accordance with this Agreement. The SPONSOR also hereby certifies that it has read the Agreement terms and has made itself aware of the applicable laws, regulations, and terms of this Agreement that apply to the reporting of costs incurred under the terms of this Agreement.

14. The PROJECT COSTS shown in Section 11 are the maximum obligation of DEPARTMENT and federal funds under this Agreement. The maximum obligation of DEPARTMENT and federal funds may be adjusted to an amount less than the maximums shown in Section 11, through a budget letter issued by the DEPARTMENT. A Budget Letter will be used when updated cost estimates for the PROJECT reflect a change in the amount of funds needed to fund all PROJECT COSTS. The Budget Letter will be signed by the Administrator of the Airport Development Division of the Bureau of Aeronautics.

A Budget Letter shall also be used to add or delete work items from the PROJECT description provided the costs do not exceed the maximum obligation of section 11. If the total amount of PROJECT COSTS exceeds the maximum obligation shown in Section 11, the PROJECT
scope will have to be reduced or a written amendment to this Agreement to provide additional funds will have to be executed by both parties before the work is started.

15. In the event it is determined by the DEPARTMENT that there will be either insufficient funds or insufficient time to properly administer such funds for the entire PROJECT or portions thereof, the DEPARTMENT, prior to advertising or authorizing work performance, may cancel the PROJECT, or any portion thereof, by giving written notice to the SPONSOR. In the event this occurs, this Agreement shall be void and of no effect with respect to the cancelled portion of the PROJECT. Any SPONSOR deposits on the cancelled portion, less PROJECT COST incurred on the cancelled portions, will be refunded following receipt of a letter from the SPONSOR requesting excess funds be returned, or at the time of financial closure, whichever comes first.

The DEPARTMENT shall not participate in the PROJECT COST incurred on the cancelled portions of the PROJECT and Sections 11 and 12 shall not be construed to require the DEPARTMENT’s participation in the cancelled portion.

Reimbursement of any costs pursuant to this section shall not constitute a final determination by the DEPARTMENT of the allowability of such costs and shall not constitute a waiver by the DEPARTMENT of any violation of the terms and conditions of this Agreement committed by the SPONSOR.

16. In the event that an audit performed by or on behalf of the DEPARTMENT indicates an adjustment to the costs reported under this Agreement, or questions the allowability of an item of expense, the DEPARTMENT shall promptly submit to the SPONSOR, a Notice of Audit Results and a copy of the audit report which may supplement or modify any tentative findings verbally communicated to the SPONSOR at the completion of an audit.

Within sixty (60) days after the date of the Notice of Audit Results, the SPONSOR shall: (a) respond in writing to the responsible Bureau of the Department indicating whether or not they concur with the audit report, (b) clearly explain the nature and basis for any disagreement as to a disallowed item of expense and, (c) submit to the DEPARTMENT a written explanation as to any questioned or no opinion expressed item of expense, hereinafter referred to as the "RESPONSE". The RESPONSE shall be clearly stated and provide any supporting documentation necessary to resolve any disagreement or questioned or no opinion expressed item of expense. Where the documentation is voluminous, the SPONSOR may supply appropriate excerpts and make alternate arrangements to conveniently and reasonably make that documentation available for review by the DEPARTMENT. The RESPONSE shall refer to and apply the language of the Agreement. The SPONSOR agrees that failure to submit a RESPONSE within the sixty (60) day period constitutes agreement with any disallowance of an item of expense and authorizes the DEPARTMENT to finally disallow any items of questioned or no opinion expressed cost.

The DEPARTMENT shall make its decision with regard to any Notice of Audit Results and RESPONSE within one hundred twenty (120) days after the date of the Notice of Audit Results. If the DEPARTMENT determines that an overpayment has been made to the SPONSOR,
the SPONSOR shall repay that amount to the DEPARTMENT, or reach agreement with the DEPARTMENT on a repayment schedule, within thirty (30) days after the date of an invoice from the DEPARTMENT. If the SPONSOR fails to repay the overpayment or reach agreement with the DEPARTMENT on a repayment schedule within the thirty (30) day period, the SPONSOR agrees that the DEPARTMENT shall deduct all or a portion of the overpayment from any funds then or thereafter payable by the DEPARTMENT to the SPONSOR under this Agreement, or any other agreement, or payable to the SPONSOR under the terms of 1951 PA 51, as applicable. Interest will be assessed on any partial payments or repayment schedules based on the unpaid balance at the end of each month until the balance is paid in full. The assessment of interest will begin thirty (30) days from the date of the invoice. The rate of interest will be based on the Michigan Department of Treasury common cash funds interest earnings. The rate of interest will be reviewed annually by the DEPARTMENT and adjusted as necessary based on the Michigan Department of Treasury common cash funds interest earnings. The SPONSOR expressly consents to this withholding or offsetting of funds under those circumstances, reserving the right to file a lawsuit in the Court of Claims to contest the DEPARTMENT's decision only as to any item of expense the disallowance of which was disputed by the SPONSOR in a timely filed RESPONSE.

17. This Agreement shall be in effect for a period of thirty six (36) months from the date of execution.

18. Failure on the part of the SPONSOR to comply with any of the conditions in this Agreement may be considered cause for placing the SPONSOR in a state of non-compliance thereby making the SPONSOR ineligible for future federal and/or state funds until such time the non-compliance issues are resolved. In addition, said failure may constitute grounds for cancellation of the PROJECT, and/or repayment of all grant amounts on a pro rata basis, if the PROJECT has begun. In this section, pro rata means proration of the cost of the PROJECT over twenty (20) years, if the PROJECT has not yet begun.

19. Any approvals, reviews, and inspections of any nature provided by the DEPARTMENT shall not be construed as a warranty or assumption of liability on the part of the DEPARTMENT. It is expressly understood and agreed that any such approvals are for the sole and exclusive purposes of the DEPARTMENT, which is acting in a governmental capacity under this Agreement and that such approvals are a governmental function incidental to the grant which is the subject of this Agreement.

Any approvals, reviews, and inspections provided by the DEPARTMENT will not relieve the SPONSOR of its obligations hereunder, nor are such approvals, reviews, and inspections provided by the DEPARTMENT to be construed as a warranty as to the propriety of the SPONSOR's performance, but are undertaken for the sole use and information of the DEPARTMENT.

20. In connection with the performance of PROJECT work under this Agreement, the parties hereto (hereinafter in Appendix "A" referred to as the "contractor") agree to comply with the State of Michigan provisions for "Prohibition of Discrimination in State Agreements", as set forth

09/29/97

in Appendix "A", attached hereto and made a part hereof. The parties further covenant that they will comply with the Civil Rights Act of 1964, being P.L. 88-352, 78 Stat. 241, as amended, being Title 42 U.S.C. Sections 1971, 1975a-1975d and 2000a-2000h-6 and the Regulations of the United States Department of Transportation (49 C.F.R. Part 21) issued pursuant to said Act, including Appendix "B", attached hereto and made a part hereof, and will require similar covenants on the part of any contractor or subcontractor employed in the performance of this Agreement.

21. In accordance with 1980 PA 278; MCL 423.321, et seq; MSA 17.458(22), et seq, the SPONSOR, in the performance of this Agreement, shall not enter into a contract with a subcontractor, manufacturer, or supplier listed in the register maintained by the State of Michigan, Department of Labor, of employers who have been found in contempt of court by a FAA court of appeals, on not less than three (3) occasions involving different violations during the preceding seven (7) years, for failure to correct an unfair labor practice, as prohibited by Section 8 of Chapter 372 of the National Labor Relations Act, 29 U.S.C. 158. The DEPARTMENT may void this Agreement if the name of the SPONSOR or the name of a subcontractor, manufacturer, or supplier utilized by the SPONSOR in the performance of this Agreement subsequently appears in the register during the performance period of this Agreement.

22. In any instance of dispute and/or litigation concerning the PROJECT, the resolution thereof shall be the sole responsibility of the parties to that Agreement which is the subject of the controversy. It is understood and agreed that any legal representation of the SPONSOR in any dispute and/or litigation shall be the financial responsibility of the SPONSOR.

23. In addition to the protection afforded by any policy of insurance, the SPONSOR agrees to indemnify and save harmless the State of Michigan, the Michigan State Transportation Commission, the Michigan Aeronautics Commission, the DEPARTMENT, the FAA, and all officers, agents, and employees thereof:

a. from any and all claims by persons, firms, or corporations for labor, materials, supplies, or services provided to the SPONSOR in connection with the SPONSOR's performance of the project assignments, and

b. from any and all claims of injuries to, or death of, any and all persons, and for loss of or damage to property and environmental damage or degradation, response and clean up costs and from attorney fees and related costs arising out of, under, or by reason of the SPONSOR's performance of the project assignments under this Agreement, except claims resulting from the sole negligence of said indemnitee, its agents or employees.

24. The DEPARTMENT and the FAA shall not be subject to any obligations or liabilities by contractors of the SPONSOR or their subcontractors or any other person not a party to this Agreement without its specific consent and notwithstanding its concurrence in or approval of the award of any contract or subcontract, or the solicitation thereof.

BLOCKGRANT
25. It is expressly understood and agreed that the SPONSOR shall take no action or conduct which arises either directly or indirectly out of its obligations, responsibilities, and duties under this Agreement, which results in claims being asserted against or judgments being imposed against the State of Michigan, the DEPARTMENT, the FAA, the Michigan State Transportation Commission, and/or the Michigan Aeronautics Commission. In the event that the same occurs, for the purposes of this Agreement it will be considered as a breach of this Agreement thereby giving the State of Michigan, the DEPARTMENT, the FAA, the Michigan State Transportation Commission, and/or the Michigan Aeronautics Commission a right to seek and obtain any necessary relief or remedy, including, but not by way of limitation, a judgment for money damages.

26. In case of any discrepancies between the body of this Agreement and any Exhibit hereto, the body of the Agreement shall govern.

27. This Agreement shall become binding on the parties hereto and of full force and effect upon the signing thereof by the duly authorized officials for the parties hereto, and upon the adoption of the necessary resolution approving said Agreement and authorizing the signatures thereto of the respective officials of the SPONSOR, a certified copy of which resolution shall be attached to this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed the day and year first above written.

ATTACHMENT 1

SUPPLEMENTAL PROVISIONS FOR FEDERAL/STATE/LOCAL CONTRACTS
IN INVOLVING CONSTRUCTION WORK
AT ALL CLASSIFICATIONS OF AIRPORTS

1. The term PROJECT COST shall include the cost of the physical construction
necessary for the completion of the PROJECT, including the costs of preliminary, design and
construction engineering and supervision, environmental studies and reports, airport layout plan
updates relating to the PROJECT and the cost of advertising for and receiving bids.

2. The DEPARTMENT is authorized by the SPONSOR pursuant to this contract to
advertise and to award the contract for the construction work in the name of the SPONSOR in
accordance with the following:

a. Prequalification of bidders shall be determined by the DEPARTMENT in
accordance with the "Administrative Rules Governing the Prequalification of
Bidders for Highway and Transportation Construction Work".

b. Prior to advertising the construction work for receipt of bids, the SPONSOR
may delete any portion or all of the PROJECT work.

c. If after receipt of bids for the construction work, the SPONSOR gives notice
of circumstances which affect its ability to proceed, the DEPARTMENT, on behalf
of the SPONSOR and with the concurrence of the FAA, if required, shall reject the
bids.

d. In the event of the rejection of all bids, any costs incurred by the
DEPARTMENT shall be deemed to be PROJECT COST.

e. Upon receipt of bids, the DEPARTMENT, on behalf of the SPONSOR, will
select the most responsive bid in accordance with the DEPARTMENT's applicable
"General Provisions for Construction of Airports". The DEPARTMENT will then
prepare a "Recommendation to Award" and submit it to the FAA and the SPONSOR.
The DEPARTMENT will forward the contract documents to the contractor and then
the SPONSOR for execution.

f. The DEPARTMENT is authorized to receive, hold, and return proposal
guarantees on behalf of and in the name of the SPONSOR pursuant to the
requirements enumerated in the DEPARTMENT's applicable "General Provisions
for Construction of Airports".

Aero 1 1 of 4 May 13, 1996
g. In the event of the forfeiture of a proposal guaranty, in accordance with the DEPARTMENT's applicable "General Provisions for Construction of Airports", and upon receipt of a request from the SPONSOR the DEPARTMENT will forward to the SPONSOR the forfeited proposal guaranty.

h. The DEPARTMENT is authorized to receive performance and lien bonds and certificates of insurance on behalf of and in the name of the SPONSOR pursuant to the requirements enumerated in the DEPARTMENT's applicable "General Provisions for Construction of Airports".

i. The SPONSOR, upon presentation of the contract documents, by the DEPARTMENT, and subject to the possible implementation of the exceptions provided in paragraph b & c, above, will execute and return the appropriate documents on or before a date to be set by the DEPARTMENT in accordance with the DEPARTMENT's applicable "General Provisions for Construction of Airports."

j. Upon receipt of the executed contract documents from the SPONSOR, the DEPARTMENT will award the contract.

3. The DEPARTMENT is authorized by the SPONSOR, pursuant to this Contract, to approve subcontracts, between the prime contractor and the subcontractor, on behalf of the SPONSOR. Any such approvals shall not be construed as a warranty of the subcontractor's qualifications, professional standing, ability to perform the work being subcontracted, or financial integrity.

4. Should termination of a construction contract, pursuant to Section 80-09 of the DEPARTMENT's applicable "General Provisions for Construction of Airports" occur, the DEPARTMENT shall be given immediate written notice by the SPONSOR.

5. Any changes to the PROJECT plans and specifications made after receipt of bids requires prior written approval of the DEPARTMENT and the FAA. The SPONSOR or their representatives may request such changes by initiating a change order to the construction contract in accordance with the "General Provisions for Construction of Airports" and the DEPARTMENT'S "Project Engineers Manual" for airport construction. Any change orders determined to be significant by the DEPARTMENT shall require a prior written amendment to this Contract.

In the event that during the course of PROJECT construction, it becomes necessary to exceed estimated quantities of materials or labor, and it is not reasonable to obtain prior consent from the DEPARTMENT without interrupting an ongoing construction activity, the SPONSOR's on-site supervisor may approve such overruns and the DEPARTMENT may share in the costs of such overruns only if all of the following conditions are met:

a. The construction, including such overruns, remains in conformity with the PROJECT plans and specifications as revised.
b. Such overruns do not exceed ten percent (10%) of that category within the PROJECT plans and specifications as revised.

c. The SPONSOR or their representative immediately notify the DEPARTMENT of such overruns and the estimated cost thereof.

d. That such on-site approval is necessary for the continuity in construction and that obtaining approval prior to proceeding would cause a material interruption in the PROJECT resulting in a significant increase in costs.

6. Any work or material that is determined by the DEPARTMENT not to be in conformity with the plans, specifications, and contract documents, will be ineligible for reimbursement with federal and state participating funds, or will be subject to a price adjustment approved by the DEPARTMENT and the FAA.

7. Upon completion of the work in each construction contract and the acceptance thereof by the SPONSOR, the SPONSOR or their designated representative shall give immediate written notice to the DEPARTMENT.

8. The SPONSOR hereby agrees that it will maintain said Airport in full operating condition on a year-round basis for a period of twenty (20) years in accordance with class "C" licensing requirements set forth by the Michigan Aeronautics Commission rules and regulations. During this period, the Airport shall not be abandoned or permanently closed without the express written permission of the DEPARTMENT.

9. In addition to the requirements of paragraph 8 of these supplemental provisions, and not in lieu thereof, should the SPONSOR desire to abandon, close, sell or otherwise divest itself of the airport or any portion thereof, the SPONSOR agrees to also provide to the DEPARTMENT a prior written notice of any such intent giving the DEPARTMENT, for a period of one hundred eighty (180) days after receipt of such notice, a first right to purchase at fair market value the airport and all facilities thereon. Fair market value shall be determined by an independent appraisal of such properties.

The notice of intent and first right to purchase shall be provided via registered or certified mail, return receipt, postage prepaid, addressed to the Deputy Director of the Bureau of Aeronautics, Michigan Department of Transportation.

10. The SPONSOR will operate and maintain in a safe and serviceable condition the Airport and all facilities thereon and connected therewith which are necessary to serve the aeronautical users of the Airport other than facilities owned or controlled by the United States in the State of Michigan, and will not permit any activity thereon which would interfere with its use for airport purposes; provided that nothing herein shall be construed as requiring the maintenance, repair, restoration, or replacement of any structure or facility which is substantially damaged or
destroyed due to any act of God or other condition or circumstances beyond the control of the SPONSOR.

11. The SPONSOR will, either by the acquisition and retention of easements or other interests in or rights for the use of land or airspace, or by the adoption and enforcement of zoning regulations, prevent the construction, erection, alteration or growth of any structure, tree or other object in the approach areas of the runways of the Airport, which would constitute an obstruction to air navigation according to the criteria or standards prescribed in FAA Advisory Circulars.

For a period of twenty (20) years, the SPONSOR will make the airport available, as an airport, for public use, to all types, kinds and classes of aeronautical use on fair and reasonable terms and without unjust discrimination. Rates charged to aeronautical users will be determined on the basis of the cost to the SPONSOR of providing the facility. In any agreement, contract, lease, or other arrangement under which a right or privilege at the airport is granted to any person, firm, or corporation to conduct or engage in an approved non-aeronautical activity, the SPONSOR will charge fair market value for the right to conduct such activity. During this period, all revenues generated by the airport, for either aeronautical or non-aeronautical activities, will be expended for the capital or operating costs of the airport; the local airport system; or other local facilities, which are owned or operated by the SPONSOR and directly and substantially related to the actual air transportation of passengers or property.
A. General.

1. These assurances shall be complied with in the performance of grant agreements for airport development, airport planning, and noise compatibility program grants for airport sponsors.

2. These assurances are required to be submitted as part of the project application by sponsors requesting funds under the provisions of Title 49, U.S.C., subtitle VII, as amended. As used herein, the term "public agency sponsor" means a public agency with control of a public-use airport; the term "private sponsor" means a private owner of a public-use airport; and the term "sponsor" includes both public agency sponsors and private sponsors.

3. Upon acceptance of the grant offer by the sponsor, these assurances are incorporated in and become part of the grant agreement.

B. Duration and Applicability.

1. Airport development or Noise Compatibility Program Projects Undertaken by a Public Agency Sponsor. The terms, conditions and assurances of the grant agreement shall remain in full force and effect throughout the useful life of the facilities developed or equipment acquired for an airport development or noise compatibility program project, or throughout the useful life of the project items installed within a facility under a noise compatibility program project, but in any event not to exceed twenty (20) years from the date of acceptance of a grant offer of Federal funds for the project. However, there shall be no limit on the duration of the assurance against exclusive rights or the terms, conditions and assurances with respect to real property acquired with Federal funds. Furthermore, the duration of the Civil Rights assurance shall be specified in the assurances.

2. Airport Development or Noise Compatibility Projects Undertaken by a Private Sponsor. The preceding paragraph 1 also applies to a private sponsor except that the useful life of project items installed within a facility or the useful life of the facilities developed or equipment acquired under an airport development or noise compatibility program project shall be no less than ten (10) years from the date of acceptance of Federal aid for the project.

3. Airport Planning Undertaken by a Sponsor. Unless otherwise specified in the grant agreement, only Assurances 1, 2, 3, 5, 6, 13, 18, 30, 32, 33, and 34 in section C apply to planning projects. The terms, conditions, and assurances of the grant agreement shall remain in full force and effect during the life of the project.

C. Sponsor Certification. The sponsor hereby assures and certifies, with respect to this grant that:

b. A-128 - Audits of State and Local Governments.
1. These laws do not apply to airport planning sponsors.
2. These laws do not apply to private sponsors.
3. 49 CFR Part 18 and OMB Circular A-87 contain requirements for State and Local Governments receiving Federal assistance. Any requirement levied upon State and Local Governments by this regulation and circular shall also be applicable to private sponsors receiving Federal assistance under Title 49, United States Code.

Specific assurances required to be included in grant agreements by any of the above laws, regulations or circulars are incorporated by reference in the grant agreement.

2. Responsibility and Authority of the Sponsor.
   a. Public Agency Sponsor: It has legal authority to apply for the grant, and to finance and carry out the proposed project; that a resolution, motion or similar action has been duly adopted or passed as an official act of the applicant's governing body authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required.
   b. Private Sponsor: It has legal authority to apply for the grant and to finance and carry out the proposed project and comply with all terms, conditions, and assurances of this grant agreement. It shall designate an official representative and shall in writing direct and authorize that person to file this application, including all understandings and assurances contained therein; to act in connection with this application; and to provide such additional information as may be required.

3. Sponsor Fund Availability. It has sufficient funds available for that portion of the project costs which are not to be paid by the United States. It has sufficient funds available to assure operation and maintenance of items funded under the grant agreement which it will own or control.

4. Good Title.
   a. It holds good title, satisfactory to the Secretary, to the landing area of the airport or site thereof, or will give assurance satisfactory to the Secretary that good title will be acquired.
   b. For noise compatibility program projects to be carried out on the property of the sponsor, it holds good title satisfactory to the Secretary to that portion of the property upon which Federal funds will be expended or will give assurance to the Secretary that good title will be obtained.

   a. It will not take or permit any action which would operate to deprive it of any of the rights and powers necessary to perform any or all of the terms, conditions, and assurances in the grant agreement without the written approval of the Secretary, and will act promptly to acquire, extinguish or modify any outstanding rights or claims of right of others which would interfere with such performance by the sponsor. This shall be done in a manner acceptable to the Secretary.
   b. It will not sell, lease, encumber, or otherwise transfer or dispose of any part of its title or other interests in the property shown on Exhibit A to this application or, for a noise compatibility program project, that portion of the property upon which Federal funds have been expended, for the duration of the terms, conditions, and assurances in the grant agreement without approval by the Secretary. If the transferee is found by the Secretary to be eligible under Title 49, United States Code, to assume the obligations of the grant agreement and to have the power, authority, and financial resources to carry out all such obligations, the sponsor shall insert in the contract or document transferring or disposing of the sponsor's interest, and make binding upon the transferee all of the terms, conditions, and assurances contained in this grant agreement.
   c. For all noise compatibility program projects which are to be carried out by another unit of local government or are on property owned by a unit of local government
other than the sponsor, it will enter into an agreement with that government. Except as otherwise specified by the Secretary, that agreement shall obligate that government to the same terms, conditions, and assurances that would be applicable to it if it applied directly to the FAA for a grant to undertake the noise compatibility program project. That agreement and changes thereto must be satisfactory to the Secretary. It will take steps to enforce this agreement against the local government if there is substantial non-compliance with the terms of the agreement.

d. For noise compatibility program projects to be carried out on privately owned property, it will enter into an agreement with the owner of that property which includes provisions specified by the Secretary. It will take steps to enforce this agreement against the property owner whenever there is substantial non-compliance with the terms of the agreement.

e. If the sponsor is a private sponsor, it will take steps satisfactory to the Secretary to ensure that the airport will continue to function as a public-use airport in accordance with these assurances for the duration of these assurances.

f. If an arrangement is made for management and operation of the airport by any agency or person other than the sponsor or an employee of the sponsor, the sponsor will reserve sufficient rights and authority to insure that the airport will be operated and maintained in accordance Title 49, United States Code, the regulations and the terms, conditions and assurances in the grant agreement and shall insure that such arrangement also requires compliance therewith.

6. Consistency with Local Plans. The project is reasonably consistent with plans (existing at the time of submission of this application) of public agencies that are authorized by the State in which the project is located to plan for the development of the area surrounding the airport. For noise compatibility program projects, other than land acquisition, to be carried out on property not owned by the airport and over which property another agency has land use control or authority, the sponsor shall obtain from each such agency a written declaration that such agency supports that project and the project is reasonably consistent with the agency's plans regarding the property.

7. Consideration of Local Interest. It has given fair consideration to the interest of communities in or near where the project may be located.

8. Consultation with Users. In making a decision to undertake any airport development project under Title 49, United States Code, it has undertaken reasonable consultations with affected parties using the airport at which project is proposed.

9. Public Hearings. In projects involving the location of an airport, an airport runway, or a major runway extension, it has afforded the opportunity for public hearings for the purpose of considering the economic, social, and environmental effects of the airport or runway location and its consistency with goals and objectives of such planning as has been carried out by the community and it shall, when requested by the Secretary, submit a copy of the transcript of such hearings to the Secretary. Further, for such projects, it has on its management board either voting representation from the communities where the project is located or has advised the communities that they have the right to petition the Secretary concerning a proposed project.

10. Air and Water Quality Standards. In projects involving airport location, a major runway extension, or runway location it will provide for the Governor of the state in which the project is located to certify in writing to the Secretary that the project will be located, designed, constructed, and operated so as to comply with applicable air and water quality standards. In any case where such standards have not been approved and where applicable air and water quality standards have been promulgated by the Administrator of the Environmental Protection Agency, certification shall be obtained from such Administrator. Notice of certification or refusal to certify shall be provided within sixty days after the project application has been received by the Secretary.

11. Pavement Preventive Maintenance. With respect to a project approved after January 1, 1995, for the replacement or reconstruction of pavement at the airport, it assures or certifies that it has implemented an effective airport pavement maintenance-management program and it assures that it will use such program for the useful life of any pavement constructed, reconstructed or repaired with Federal financial assistance at the airport. It will provide such reports on pavement condition and pavement management programs as the Secretary determines may be useful.
12. **Terminal Development Prerequisites.** For projects which include terminal development at a public use airport, as defined in Title 49, it has, on the date of submittal of the project grant application, all the safety equipment required for certification of such airport under section 44706 of Title 49, United States Code, and all the security equipment required by rule or regulation, and has provided for access to the passenger enplaning and deplaning area of such airport to passengers enplaning and deplaning from aircraft other than air carrier aircraft.

13. **Accounting System, Audit, and Recordkeeping Requirements.**
   a. It shall keep all project accounts and records which fully disclose the amount and disposition by the recipient of the proceeds of the grant, the total cost of the project in connection with which the grant is given or used, and the amount or nature of that portion of the cost of the project supplied by other sources, and such other financial records pertinent to the project. The accounts and records shall be kept in accordance with an accounting system that will facilitate an effective audit in accordance with the Single Audit Act of 1984.
   b. It shall make available to the Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, for the purpose of audit and examination, any books, documents, papers, and records of the recipient that are pertinent to the grant. The Secretary may require that an appropriate audit be conducted by a recipient. In any case in which an independent audit is made of the accounts of a sponsor relating to the disposition of the proceeds of a grant or relating to the project in connection with which the grant was given or used, it shall file a certified copy of such audit with the Comptroller General of the United States not later than six (6) months following the close of the fiscal year for which the audit was made.

14. **Minimum Wage Rates.** It shall include, in all contracts in excess of $2,000 for work on any projects funded under the grant agreement which involve labor, provisions establishing minimum rates of wages, to be predeterminded by the Secretary of Labor, in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 276a-276a-5), which contractors shall pay to skilled and unskilled labor, and such minimum rates shall be stated in the invitation for bids and shall be included in proposals or bids for the work.

15. **Veteran’s Preference.** It shall include in all contracts for work on any project funded under the grant agreement which involve labor, such provisions as are necessary to insure that, in the employment of labor (except in executive, administrative, and supervisory positions), preference shall be given to Veterans of the Vietnam era and disabled veterans as defined in Section 47112 of Title 49, United States Code. However, this preference shall apply only where the individuals are available and qualified to perform the work to which the employment relates.

16. **Conformity to Plans and Specifications.** It will execute the project subject to plans, specifications, and schedules approved by the Secretary. Such plans, specifications, and schedules shall be submitted to the Secretary prior to commencement of site preparation, construction, or other performance under this grant agreement, and, upon approval of the Secretary, shall be incorporated into this grant agreement. Any modification to the approved plans, specifications, and schedules shall also be subject to approval of the Secretary, and incorporated into the grant agreement.

17. **Construction Inspection and Approval.** It will provide and maintain competent technical supervision at the construction site throughout the project to assure that the work conforms to the plans, specifications, and schedules approved by the Secretary for the project. It shall subject the construction work on any project contained in an approved project application to inspection and approval by the Secretary and such work shall be in accordance with regulations and procedures prescribed by the Secretary. Such regulations and procedures shall require such cost and progress reporting by the sponsor or sponsors of such project as the Secretary shall deem necessary.

18. **Planning Projects.** In carrying out planning projects:
   a. It will execute the project in accordance with the approved program narrative contained in the project application or with the modifications similarly approved.
   b. It will furnish the Secretary with such periodic reports as required pertaining to the planning project and planning work activities.
c. It will include in all published material prepared in connection with the planning project a notice that the material was prepared under a grant provided by the United States.

d. It will make such material available for examination by the public, and agrees that no material prepared with funds under this project shall be subject to copyright in the United States or any other country.

e. It will give the Secretary unrestricted authority to publish, disclose, distribute, and otherwise use any of the material prepared in connection with this grant.

f. It will grant the Secretary the right to disapprove the sponsor’s employment of specific consultants and their subcontractors to do all or any part of this project as well as the right to disapprove the proposed scope and cost of professional services.

g. It will grant the Secretary the right to disapprove the use of the sponsor’s employees to do all or any part of the project.

h. It understands and agrees that the Secretary’s approval of this project grant or the Secretary’s approval of any planning material developed as part of this grant does not constitute or imply any assurance or commitment on the part of the Secretary to approve any pending or future application for a Federal airport grant.

a. The airport and all facilities which are necessary to serve the aeronautical users of the airport, other than facilities owned or controlled by the United States, shall be operated at all times in a safe and serviceable condition and in accordance with the minimum standards as may be required or prescribed by applicable Federal, state and local agencies for maintenance and operation. It will not cause or permit any activity or action thereon which would interfere with its use for airport purposes. It will suitably operate and maintain the airport and all facilities thereon or connected therewith, with due regard to climatic and flood conditions. Any proposal to temporarily close the airport for non-aeronautical purposes must first be approved by the Secretary.

In furtherance of this assurance, the sponsor will have in effect arrangements for:

1. Operating the airport’s aeronautical facilities whenever required;

2. Promptly marking and lighting hazards resulting from airport conditions, including temporary conditions; and

3. Promptly notifying airmen of any condition affecting aeronautical use of the airport.

Nothing contained herein shall be construed to require that the airport be operated for aeronautical use during temporary periods when snow, flood or other climatic conditions interfere with such operation and maintenance. Further, nothing herein shall be construed as requiring the maintenance, repair, restoration, or replacement of any structure or facility which is substantially damaged or destroyed due to an act of God or other condition or circumstance beyond the control of the sponsor.

b. It will suitably operate and maintain noise compatibility program items that it owns or controls upon which Federal funds have been expended.

20. Hazard Removal and Mitigation. It will take appropriate action to assure that such terminal airspace as is required to protect instrument and visual operations to the airport (including established minimum flight altitudes) will be adequately cleared and protected by removing, lowering, relocating, marking, or lighting or otherwise mitigating existing airport hazards and by preventing the establishment or creation of future airport hazards.

21. Compatible Land Use. It will take appropriate action, including the adoption of zoning laws, to the extent reasonable, to restrict the use of land adjacent to or in the immediate vicinity of the airport to activities and purposes compatible with normal airport operations, including landing and takeoff of aircraft. In addition, if the project is for noise compatibility program implementation, it will not cause or permit any change in land use, within its jurisdiction, that will reduce its compatibility, with respect to the airport, of the noise compatibility program measures upon which Federal funds have been expended.
22. **Economic Nondiscrimination.**
   a. It will make its airport available as an airport for public use on reasonable terms and without unjust discrimination, to any person, firm, or corporation to conduct or to engage in any aeronautical activity for furnishing services to the public at the airport.
   b. In any agreement, contract, lease, or other arrangement under which a right or privilege at the airport is granted to any person, firm, or corporation to conduct or to engage in any aeronautical activity for furnishing services to the public at the airport, the sponsor will insert and enforce provisions requiring the contractor to:
      (1) furnish said services on a reasonable, and not unjustly discriminatory, basis to all users thereof, and
      (2) charge reasonable, and not unjustly discriminatory, prices for each unit or service, provided that the contractor may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.
   c. Each fixed-based operator at the airport shall be subject to the same rates, fees, rentals, and other charges as are uniformly applicable to all other fixed-based operators making the same or similar uses of such airport and utilizing the same or similar facilities.
   d. Each air carrier using such airport shall have the right to service itself or to use any fixed-based operator that is authorized or permitted by the airport to serve any air carrier at such airport.
   e. Each air carrier using such airport (whether as a tenant, nontenant, or subtenant of another air carrier tenant) shall be subject to such nondiscriminatory and substantially comparable rules, regulations, conditions, rates, fees, rentals, and other charges with respect to facilities directly and substantially related to providing air transportation as are applicable to all such air carriers which make similar use of such airport and utilize similar facilities, subject to reasonable classifications such as tenants or nontenants and signatory carriers and nonsignatory carriers. Classification or status as tenant or signatory shall not be unreasonably withheld by any airport provided an air carrier assumes obligations substantially similar to those already imposed on air carriers in such classification or status.
   f. It will not exercise or grant any right or privilege which operates to prevent any person, firm, or corporation operating aircraft on the airport; from performing any services on its own aircraft with its own employees (including, but not limited to maintenance, repair, and fueling) that it may choose to perform.
   g. In the event the sponsor itself exercises any of the rights and privileges referred to in this assurance, the services involved will be provided on the same conditions as would apply to the furnishing of such services by commercial aeronautical service providers authorized by the sponsor under these provisions.
   h. The sponsor may establish such reasonable, and not unjustly discriminatory, conditions to be met by all users of the airport as may be necessary for the safe and efficient operation of the airport.
   i. The sponsor may prohibit or limit any given type, kind or class of aeronautical use of the airport if such action is necessary for the safe operation of the airport or necessary to serve the civil aviation needs of the public.

23. **Exclusive Rights.** It will permit no exclusive right for the use of the airport by any person providing, or intending to provide, aeronautical services to the public. For purposes of this paragraph, the providing of the services at an airport by a single fixed-based operator shall not be construed as an exclusive right if both of the following apply:
   a. It would be unreasonably costly, burdensome, or impractical for more than one fixed-based operator to provide such services, and
   b. If allowing more than one fixed-based operator to provide such services would require the reduction of space leased pursuant to an existing agreement between such single fixed-based operator and such airport.
It further agrees that it will not, either directly or indirectly, grant or permit any person, firm, or corporation, the exclusive right at the airport to conduct any aeronautical activities, including, but not limited to charter flights, pilot training, aircraft rental and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, air carrier operations, aircraft sales and services, sale of aviation petroleum products whether or not conducted in conjunction with other aeronautical activity, repair and maintenance of aircraft, sale of aircraft parts, and any other activities which because of their direct relationship to the operation of aircraft can be regarded as an aeronautical activity, and that it will terminate any exclusive right to conduct an aeronautical activity now existing at such an airport before the grant of any assistance under Title 49, United States Code.

24. Fee and Rental Structure. It will maintain a fee and rental structure for the facilities and services at the airport which will make the airport as self-sustaining as possible under the circumstances existing at the particular airport, taking into account such factors as the volume of traffic and economy of collection. No part of the Federal share of an airport development, airport planning or noise compatibility project for which a grant is made under Title 49, United States Code, the Airport and Airway Improvement Act of 1982, the Federal Airport Act or the Airport and Airway Development Act of 1970 shall be included in the rate basis in establishing fees, rates, and charges for users of that airport.

25. Airport Revenues.
   a. All revenues generated by the airport and any local taxes on aviation fuel established after December 30, 1987, will be expended by it for the capital or operating costs of the airport; the local airport system; or other local facilities which are owned or operated by the owner or operator of the airport and which are directly and substantially related to the actual air transportation of passengers or property; or for noise mitigation purposes on or off the airport. Provided, however, that if covenants or assurances in debt obligations issued before September 3, 1982, by the owner or operator of the airport, or provisions enacted before September 3, 1982, in governing statutes controlling the owner or operator's financing, provide for the use of the revenues from any of the airport owner or operator's facilities, including the airport, to support not only the airport but also the airport owner or operator's general debt obligations or other facilities, then this limitation on the use of all revenues generated by the airport (and, in the case of a public airport, local taxes on aviation fuel) shall not apply.
   b. As part of the annual audit required under the Single Audit Act of 1984, the sponsor will direct that the audit will review, and the resulting audit report will provide an opinion concerning, the use of airport revenue and taxes in paragraph (a), and indicating whether funds paid or transferred to the owner or operator are paid or transferred in a manner consistent with Title 49, United States Code and any other applicable provision of law, including any regulation promulgated by the Secretary or Administrator.
   c. Any civil penalties or other sanctions will be imposed for violation of this assurance in accordance with the provisions of Section 47107 of Title 49, United States Code.

26. Reports and Inspections. It will:
   a. submit to the Secretary such annual or special financial and operations reports as the Secretary may reasonably request and make such reports available to the public; make available to the public at reasonable times and places a report of the airport budget in a format prescribed by the Secretary;
   b. for airport development projects, make the airport and all airport records and documents affecting the airport, including deeds, leases, operation and use agreements, regulations and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request;
   c. for noise compatibility program projects, make records and documents relating to the project and continued compliance with the terms, conditions, and assurances of the grant agreement including deeds, leases, agreements, regulations, and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request;
d. in a format and time prescribed by the Secretary, provide to the Secretary and make available to the public following each of its fiscal years, an annual report listing in detail:
   (i) all amounts paid by the airport to any other unit of government and the purposes for which each such payment was made; and
   (ii) all services and property provided by the airport to other units of government and the amount of compensation received for provision of each such service and property.

27. **Use by Government Aircraft.** It will make available all of the facilities of the airport developed with Federal financial assistance and all those usable for landing and takeoff of aircraft to the United States for use by Government aircraft in common with other aircraft at all times without charge, except, if the use by Government aircraft is substantial, charge may be made for a reasonable share, proportional to such use, for the cost of operating and maintaining the facilities used. Unless otherwise determined by the Secretary, or otherwise agreed to by the sponsor and the using agency, substantial use of an airport by Government aircraft will be considered to exist when operations of such aircraft are in excess of those which, in the opinion of the Secretary, would unduly interfere with use of the landing areas by other authorized aircraft, or during any calendar month that-
   a. Five (5) or more Government aircraft are regularly based at the airport or on land adjacent thereto; or
   b. The total number of movements (counting each landing as a movement) of Government aircraft is 300 or more, or the gross accumulative weight of Government aircraft using the airport (the total movement of Government aircraft multiplied by gross weights of such aircraft) is in excess of five million pounds.

28. **Land for Federal Facilities.** It will furnish without cost to the Federal Government for use in connection with any air traffic control or air navigation activities, or weather-reporting and communication activities related to air traffic control, any areas of land or water, or estate therein, or rights in buildings of the sponsor as the Secretary considers necessary or desirable for construction, operation, and maintenance at Federal expense of space or facilities for such purposes. Such areas or any portion thereof will be made available as provided herein within four months after receipt of a written request from the Secretary.

29. **Airport Layout Plan.**
   a. It will keep up to date at all times an airport layout plan of the airport showing (1) boundaries of the airport and all proposed additions thereto, together with the boundaries of all offsite areas owned or controlled by the sponsor for airport purposes and proposed additions thereto; (2) the location and nature of all existing and proposed airport facilities and structures (such as runways, taxiways, aprons, terminal buildings, hangars and roads), including all proposed extensions and reductions of existing airport facilities; and (3) the location of all existing and proposed nonaviation areas and of all existing improvements thereon. Such airport layout plans and each amendment, revision, or modification thereof, shall be subject to the approval of the Secretary which approval shall be evidenced by the signature of a duly authorized representative of the Secretary on the face of the airport layout plan. The sponsor will not make or permit any changes or alterations in the airport or any of its facilities which are not in conformity with the airport layout plan as approved by the Secretary and which might, in the opinion of the Secretary, adversely affect the safety, utility or efficiency of the airport.
   b. If a change or alteration in the airport or the facilities is made which the Secretary determines adversely affects the safety, utility, or efficiency of any federally owned, leased, or funded property on or off the airport and which is not in conformity with the airport layout plan as approved by the Secretary, the owner or operator will, if requested, by the Secretary (1) eliminate such adverse effect in a manner approved by the Secretary; or (2) bear all costs of relocating such property (or replacement thereof) to a site acceptable to the Secretary and all costs of restoring such property (or replacement thereof) to the level of safety,
utility, efficiency, and cost of operation existing before the unapproved change in
the airport or its facilities.

30. Civil Rights. It will comply with such rules as are promulgated to assure that no person shall, on
the grounds of race, creed, color, national origin, sex, age, or handicap be excluded from
participating in any activity conducted with or benefiting from funds received from this grant. This
assurance obligates the sponsor for the period during which Federal financial assistance is
extended to the program, except where Federal financial assistance is to provide, or is in the form
of personal property or real property or interest therein or structures or improvements thereon in
which case the assurance obligates the sponsor or any transferee for the longer of the following
periods: (a) the period during which the property is used for a purpose for which Federal financial
assistance is extended, or for another purpose involving the provision of similar services or
benefits, or (b) the period during which the sponsor retains ownership or possession of the
property.

a. For land purchased under a grant for airport noise compatibility purposes, it will
dispose of the land, when the land is no longer needed for such purposes, at fair
market value, at the earliest practicable time. That portion of the proceeds of
such disposition which is proportionate to the United States' share of acquisition
of such land will, at the discretion of the Secretary, 1) be paid to the Secretary for
deposit in the Trust Fund, or 2) be reinvested in an approved noise compatibility
project as prescribed by the Secretary.

b. (1) For land purchased under a grant for airport development purposes (other
than noise compatibility), it will, when the land is no longer needed for airport
purposes, dispose of such land at fair market value or make available to the
Secretary an amount equal to the United States' proportionate share of the fair
market value of the land. That portion of the proceeds of such disposition which
is proportionate to the United States' share of the cost of acquisition of such land
will, (a) upon application to the Secretary, be reinvested in another eligible airport
improvement project or projects approved by the Secretary at that airport or within
the national airport system, or (b) be paid to the Secretary for deposit in the Trust
Fund if no eligible project exists.

(2) Land shall be considered to be needed for airport purposes under this
assurance if (a) it may be needed for aeronautical purposes (including runway
protection zones) or serve as noise buffer land, and (b) the revenue from interim
uses of such land contributes to the financial self-sufficiency of the airport.
Further, land purchased with a grant received by an airport operator or owner
before December 31, 1987, will be considered to be needed for airport purposes if
the Secretary or Federal agency making such grant before December 31, 1987,
was notified by the operator or owner of the uses of such land, did not object to
such use, and the land continues to be used for that purpose, such use having

c. Disposition of such land under (a) or (b) will be subject to the retention or
reservation of any interest or right therein necessary to ensure that such land will
only be used for purposes which are compatible with noise levels associated with
operation of the airport.

32. Engineering and Design Services. It will award each contract, or sub-contract for program
management, construction management, planning studies, feasibility studies, architectural
services, preliminary engineering, design, engineering, surveying, mapping or related services
with respect to the project in the same manner as a contract for architectural and engineering
services is negotiated under Title IX of the Federal Property and Administrative Services Act of
1949 or an equivalent qualifications-based requirement prescribed for or by the sponsor of the
airport.

33. Foreign Market Restrictions. It will not allow funds provided under this grant to be used to fund
any project which uses any product or service of a foreign country during the period in which such
foreign country is listed by the United States Trade Representative as denying fair and equitable
market opportunities for products and suppliers of the United States in procurement and construction.

34. **Policies, Standards, and Specifications.** It will carry out the project in accordance with policies, standards, and specifications approved by the Secretary including but not limited to the advisory circulars listed in the Current FAA Advisory Circulars for AIP projects, dated 05/01/95 and included in this grant, and in accordance with applicable state policies, standards, and specifications approved by the Secretary.

35. **Relocation and Real Property Acquisition.** (1) It will be guided in acquiring real property, to the greatest extent practicable under State law, by the land acquisition policies in Subpart B of 49 CFR Part 24 and will pay or reimburse property owners for necessary expenses as specified in Subpart B. (2) It will provide a relocation assistance program offering the services described in Subpart C and fair and reasonable relocation payments and assistance to displaced persons as required in Subpart D and E of 49 CFR Part 24. (3) It will make available within a reasonable period of time prior to displacement, comparable replacement dwellings to displaced persons in accordance with Subpart E of 49 CFR Part 24.

36. **Access By Intercity Buses.** The airport owner or operator will permit, to the maximum extent practicable, intercity buses or other modes of transportation to have access to the airport, however, it has no obligation to fund special facilities for intercity buses or for other modes of transportation.

APPENDIX F

SPECIAL CONDITIONS

(MANDATORY CONDITIONS TO BE IN ALL SUB-GRANTS)

1. **RUNWAY PROTECTION ZONES** The Sponsor agrees to take the following actions to maintain and/or acquire a property interest, satisfactory to the FAA, in the Runway Protection Zones:
   
a. **Existing Fee Title Interest in the Runway Protection Zone.** The Sponsor agrees to prevent the erection or creation of any structure or place of public assembly in the Runway Protection Zone, as depicted on the Exhibit "A" Property Map, except for navaids that are fixed by their functional purposes or any other structure approved by the FAA. Any existing structures or uses within the Runway Protection Zone will be cleared or discontinued unless approved by the FAA.

b. **Existing Easement Interest in the Runway Protection Zone.** The Sponsor agrees to take any and all steps necessary to ensure that the owner of the land within the designated Runway Protection Zone will not build any structure in the Runway Protection Zone that is a hazard to air navigation or which might create glare or misleading lights or lead to the construction of residences, fuel handling and storage facilities, smoke generating activities, or places of public assembly, such as churches, schools, office buildings, shopping centers, and stadiums.

2. **AIR AND WATER QUALITY** Approval of the project included in this agreement is conditioned on the Sponsor’s compliance with applicable air and water quality standards in accomplishing project construction and in operating the airport. Failure to comply with this requirement may result in suspension, cancellation, or termination of federal assistance under this agreement.

3. **BUY AMERICAN REQUIREMENT** Unless otherwise approved by the FAA, the Sponsor will not acquire or permit any contractor or subcontractor to acquire any steel or manufactured products produced outside the United States to be used for any project for airport development or noise compatibility for which funds are provided under this grant. The Sponsor will include in every contract a provision implementing this special condition.

4. **WASTE DISPOSAL SITES** It is hereby agreed by and between the parties hereto that, within its authority, the Sponsor will not approve or permit the establishment or existence
of a waste disposal site which has been determined to be objectionable under the provisions of FAA Order 5200.5A, dated January 31, 1990, entitled "Waste Disposal Sites On or Near Airports."

5. **OPEN BIDDING** The Sponsor agrees not to include in any bid specification, project agreement, or other controlling documents to perform construction activities under this grant, any provisions which would:

   a. Require bidders, offerors, contractors, or subcontractors to enter into or adhere to agreements with one or more labor organizations, on the same or other related construction project(s), or

   b. Otherwise discriminate against bidders, offerors, contractors, or subcontractors for refusing to become or remain signatories or otherwise adhere to agreements with one or more labor organizations, on the same or other related construction project(s), or

   c. Require any bidder, offeror, contractor, or subcontractor to enter into, adhere to, or enforce any agreement that requires its employees, as a condition of employment, to:

      (1) become members of or affiliated with a labor organization, or

      (2) pay dues or fees to a labor organization, over an employee's objection, in excess of the employee's share of labor organization costs relating to collective bargaining, contract administration, or grievance adjustment.

   The Sponsor further agrees to require any contractor or subcontractor to agree to not include any similar provision which would violate paragraphs a through c above in their contracts or subcontracts pertaining to the projects under this grant.

6. **PAVEMENT MAINTENANCE MANAGEMENT PROGRAM (PGL 95-2)** For a project to replace or reconstruct pavement at the airport, the Sponsor shall implement an effective airport pavement maintenance program as is required by airport Sponsor Assurance Number C-11. The Sponsor shall use such program for the useful life of any pavement constructed, reconstructed, or repaired with federal financial assistance at the airport. As a minimum, the program must conform with the provisions outlined below:

   **Pavement Maintenance Management Program**

   An effective pavement maintenance management program is one that details the procedures to be followed to assure that proper pavement maintenance, both preventive and repair, is performed. An airport sponsor may use any form of inspection program it deems appropriate. The program must, as a minimum, include the following:

   a. **Pavement Inventory**. The following must be depicted in an appropriate form and level of detail:
(1) location of all runways, taxiways, and aprons;
(2) dimensions;
(3) type of pavement, and;
(4) year of construction or most recent major rehabilitation.

For compliance with the Airport Improvement Program (AIP) assurances, pavements that have been constructed, reconstructed, or repaired with federal financial assistance shall be so depicted.

b. Inspection Schedule.

(1) **Detailed Inspection.** A detailed inspection must be performed at least once a year. If a history of recorded pavement deterioration is available, i.e., Pavement Condition Index (PCI) survey as set forth in Advisory Circular 150/5380-6, "Guidelines and Procedures for Maintenance of Airport Pavements," the frequency of inspection may be extended to three years.

(2) **Drive-By Inspection.** A drive-by inspection must be performed a minimum of once per month to detect unexpected changes in the pavement condition.

c. **Record Keeping.** Complete information on the findings of all detailed inspections and on the maintenance performed must be recorded and kept on file for a minimum of five years. The types of distress, their locations, and remedial action, scheduled or performed, must be documented. The minimum information to be listed below:

(1) inspection date,
(2) location,
(3) distress types, and
(4) maintenance scheduled or performed.

For drive-by inspections, the date of inspection and any maintenance performed must be recorded.

d. **Information Retrieval.** An airport sponsor may use any form of record keeping it deems appropriate, so long as the information and records produced by the pavement survey can be retrieved to provide a report to the FAA as may be required.

e. **Reference.** Refer to Advisory Circular 150/5380-6, "Guidelines and Procedures for Maintenance of Airport Pavements," for specific guidelines and procedures for maintaining airport pavements and establishing an effective maintenance program. Specific types of distress, their probable causes, inspection guidelines, and recommended methods of repair are presented.
APPENDIX A

PROHIBITION OF DISCRIMINATION IN STATE CONTRACTS

In connection with the performance of work under this contract; the contractor agrees as follows:

1. In accordance with Act No. 453, Public Acts of 1976, the contractor hereby agrees not to discriminate against an employee or applicant for employment with respect to hire, tenure, terms, conditions, or privileges of employment, or as a matter directly or indirectly related to employment, because of race, color, religion, national origin, age, sex, height, weight, or marital status. Further, in accordance with Act No. 220, Public Acts of 1976 as amended by Act No. 478, Public Acts of 1980 the contractor hereby agrees not to discriminate against an employee or applicant for employment with respect to hire, tenure, terms, conditions, or privileges of employment, or a matter directly or indirectly related to employment, because of a handicap that is unrelated to the individual’s ability to perform the duties of a particular job or position. A breach of the above covenants shall be regarded as a material breach of this contract.

2. The contractor hereby agrees that any and all subcontracts to this contract, whereby a portion of the work set forth in this contract is to be performed, shall contain a covenant the same as hereinabove set forth in Section 1 of this Appendix.

3. The contractor will take affirmative action to insure that applicants for employment and employees are treated without regard to their race, color, religion, national origin, age, sex, height, weight, marital status or a handicap that is unrelated to the individual’s ability to perform the duties of a particular job or position. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

4. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, national origin, age, sex, height, weight, marital status or handicap that is unrelated to the individual’s ability to perform the duties of a particular job or position.

5. The contractor or his collective bargaining representative will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice advising the said labor union or workers’ representative of the contractor’s commitments under this appendix.

6. The contractor will comply with all relevant published rules, regulations, directives, and orders of the Michigan Civil Rights Commission which may be in effect prior to the taking of bids for any individual state project.

7. The contractor will furnish and file compliance reports within such time and upon such forms as provided by the Michigan Civil Rights Commission, said forms may also elicit information as to the practices, policies, program, and employment statistics of each subcontractor as well as the contractor himself, and said contractor will permit access to his books, records, and accounts by the Michigan Civil Rights Commission and/or its agent, for purposes of investigation to ascertain compliance with this contract and relevant with rules, regulations, and orders of the Michigan Civil Rights Commission.

8. In the event that the Civil Rights Commission finds, after a hearing held pursuant to its rules, that a contractor has not complied with the contractual obligations under this agreement, the Civil Rights Commission may, as part of its order based upon such findings, certify said findings to the Administrative Board of the State of Michigan, which Administrative Board may order the cancellation of the contract found to have been violated and/or declare the contractor ineligible for future contracts with the state and its political and civil subdivisions, departments, and officers, and including the governing boards of institutions of higher education, until the contractor complies with said order of the Civil Rights Commission. Notice of said declaration of future ineligibility may be given to any or all of the persons with whom the contractor is declared ineligible to contract as a contracting party in future contracts. In any case before the Civil Rights Commission in which cancellation of an existing contract is a possibility, the contracting agency shall be notified of such possible remedy and shall be given the option by the Civil Rights Commission to participate in such proceedings.

9. The contractor will include, or incorporate by reference, the provisions of the foregoing paragraphs (1) through (8) in every subcontract or purchase order unless exempted by the rules, regulations or orders of the Michigan Civil Rights Commission, and will provide in every subcontract or purchase order that said provisions will be binding upon each subcontractor or seller.

Appendix B
(Aeronautics)

CIVIL RIGHTS ACT OF 1964, TITLE VI - 49 CFR PART 21
CONTRACTUAL REQUIREMENTS

During the performance of this contract, the contractor, for itself, its assignees and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

1. Compliance with Regulations. The contractor shall comply with the Regulations relative to nondiscrimination in federally assisted programs of the Department of Transportation (hereinafter, "DOT") Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this contract.

2. Nondiscrimination. The contractor, with regard to the work performed by it during the contract, shall not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurement of materials and leases of equipment. The contractor shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.

3. Solicitations for Subcontracts, Including Procurement of materials and equipment. In all solicitations either by competitive bidding or negotiation made by the contractor for work to be performed under a subcontract, including procurement of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the contractor of the contractor's obligations under this contract and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.

4. Information and Reports. The contractor shall provide all information and reports required by the Regulations or directives issued pursuant thereto and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Sponsor or the Federal Aviation Administration (FAA) to be pertinent to ascertain compliance with such Regulations, orders, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information, the contractor shall so certify to the sponsor of the FAA, as appropriate, and shall set forth what efforts it has made to obtain the information.

5. Sanctions for Noncompliance. In the event of the contractor's noncompliance with the nondiscrimination provisions of this contract, the sponsor shall impose such contract sanctions as it or the FAA may determine to be appropriate, including, but not limited to:

a. Withholding of payments to the contractor under the contract until the contractor complies, and/or

b. Cancellation, termination, or suspension of the contract, in whole or in part.

6. Incorporation of Provisions. The contractor shall include the provisions of paragraphs 1 through 5 in every subcontract, including procurement of materials and leases of equipment, unless exempt by the Regulations or directives issued pursuant thereto. The contractor shall take such action with respect to any subcontract or procurement as the sponsor or the FAA may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the contractor may request the Sponsor to enter into such litigation to protect the interests of the sponsor and, in addition, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

FRIEND OF THE COURT LETTER 97-018
PROSECUTING ATTORNEY LETTER 97-009

TO: All Friends of the Court and Prosecuting Attorneys

FROM: Wallace N. Dutkowski, Director
Office of Child Support

SUBJECT: 1998 Cooperative Reimbursement Contracts

The Office of Child Support (OCS) is sending each provider a contract rather than an application for contract for 1998. The 1998 contract includes a budget based on the 1997 contract budget. This action is undertaken to protect the existing funding of all providers. OCS recognizes that costs in 1998 contracts may be different than they were in 1997. These changes in costs can be handled in contract amendments without the same time pressures involved.

Contract Language
Changes in contract language are minimal and were submitted to the Friend of the Court Association, Prosecuting Attorney Association of Michigan and the State Court Administrative Office for review and comment. The changes consist of updating the audit language to reflect changes in the Single Audit Act and updating the billing method language to reflect OCS's new policy of permitting line item transfers of up to $3,000 without prior approval.

Since that submission a few other changes have been made. References to other sections of the contract, formerly identified as "Section I, paragraph K" have been changed to give the specific title of the section to avoid confusion in editing of the language in future contract years. Further, three enforcement remedies have been added to the FOC list;

1. License suspension,
2. Contempt proceedings and
3. Registration for enforcement in another state.
Resolutions
OCS has included resolutions with the contracts that are county and contract specific. That is, the resolutions include the county name and the term of the contract whether it is based on fiscal (10/1 to 9/30) or calendar (1/1 to 12/31) year.

Lobby Certificates
Attached to the instructions are copies of the Lobby Certificates to be completed by both the Provider and the Chairperson of the County Board of Commissioners if the contract net budget amount exceeds $100,000.

Note: If a county submitted lobby certificates previously for their medical support contract that exceeded $100,000, a second set of certificates is not needed.

Time Frames
Please direct all signed Cooperative Reimbursement contracts to OCS Central Office. Do not send them to OCS District Contract Managers.

Fiscal Year (10/1/97 to 9/30/98) Contracts
For counties contracting on a fiscal year 10/1/97 to 9/30/98, the contract, resolution and lobby certificates (if needed) should be signed by the provider and the contractor and sent to OCS Central Office before September 30, 1997. If the contract is not signed by the county before October 1, *county funding is at risk*.

Calendar Year (1/1/98 to 12/31/98) Contracts
For counties contracting on a fiscal year 1/1/98 to 12/31/98, the contract, resolution and lobby certificates (if needed) should be signed by the provider and the contractor and sent to OCS Central Office before December 31, 1997. If the contract is not signed by the county before January 1, *county funding is at risk*.

Amendments
OCS Contract Managers will be provided with software to facilitate amendments. If a provider needs to apply for an amendment simultaneously with signature of the contract, please contact your District Contract Manager for assistance. OCS recommends that providers encourage the county board to approve the contract enclosed in this letter and deal with a contract amendment separately.

II. PROCESS OVERVIEW

The 1998 Cooperative Reimbursement Contract process is a one step process to protect county funding. Providers complete appropriate Contract documents, prepare copies (as indicated in the Provider Checklist), and submit the completed Contract package documentation (as indicated below) to the OCS Central Office before September 30, 1997.

The Contract Package consists of the following documents:

- Contract Document
- Resolution (see Instruction Package, Section V for a copy if needed)
- Lobby Certificate for Provider (when contract exceeds $100,000), and
- Lobby Certificate for Board Chairperson (when contract exceeds $100,000)
- Budget Proposal

OCS acknowledges that the attached budget based on 1997 costs may not cover all the planned IV-D eligible expenditures the county will make in the 1998 contract year. However, by signing this continuation budget, the county is insured that a contract will be in place when the 1997 contract expires. The 1998 contract can be amended as soon as it is in place without any risk to IV-D funding.

OCS District Contract Managers will assist providers in preparing amendments to the approved 1998 contracts.

"State" means a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, a territory or possession of the United States, an agency or instrumentality of a State, and a multi-State, regional, or interstate entity having government duties and powers.

(b) Prohibition.

(1) Section 1352 of title 31, U.S. Code provides in part that no appropriated funds may be expended by the recipient of a Federal contract, grant, loan, or cooperative agreement to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or any employee of a Member of Congress in connection with any of the following covered Federal actions: the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan or cooperative agreement.
(2) The prohibition does not apply as follows:

(i) Agency and legislative liaison by Own Employees.

(A) The prohibition on the use of appropriated funds, in paragraph (1) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(B) For purposes of paragraph (A) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(C) For purposes of paragraph (A) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

(i) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and,

(ii) Technical discussions and other activities regarding the application of adaptation of the person's products or services for an agency's use.

(D) For purposes of paragraph (A) of this section, the following agency and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

(i) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(ii) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

(iii) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95-507 and other subsequent amendments.

(E) Only those activities expressly authorized by paragraph (i) of this section are allowable under paragraph (i).
(ii) Professional and technical services by own employees.

(A) The prohibition on the use of appropriated funds, in paragraph (1) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract or an extension, continuation, renewal, amendment, or modification of a Federal contract if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract.

(B) For purposes of paragraph (A) of this section, "professional and technical services" shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(C) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(D) Only those services expressly authorized by paragraph (ii) of this section are allowable under paragraph (ii).
(iii) Reporting for Own Employees

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

(iv) Professional and technical services by Other than Own Employees

(A) The prohibition on the use of appropriated funds, in paragraph (1) of this section, does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract.

(B) For purposes of paragraph (A) of this section, "professional and technical services" shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(C) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.
(D) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(E) Only those services expressly authorized by paragraph (iv) of this section are allowable under paragraph (iv).

(c) Disclosure

(1) Each person who requests or receives from an agency a Federal contract shall file with that agency a certification indicating that the person has not made, and will not make, any payment prohibited by paragraph (b) of this clause.

(2) Each person who requests or receives from an agency a Federal contract shall file with that agency a disclosure form, Standard form-LLL, "Disclosure of Lobbying Activities," if such person has made or has agreed to make any payment using non-appropriated funds (to include profits from any covered Federal action), which would be prohibited under paragraph (b) of this clause if paid for with appropriated funds.

(3) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraph (2) of this section. An event that materially affects the accuracy of the information reported includes:

(i) A cumulative increase of $25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

(ii) A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or,

(iii) A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.

(4) Any person who requests or receives from a person referred to in paragraph (1) of this section a subcontract exceeding $100,000 at any tier under the Federal contract shall file a certification, and a disclosure form, if required, to the next tier above.

(5) All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the person referred to in paragraph (1) of this section. That person shall forward all disclosure forms to the agency.
(d) Agreement

In accepting any contract resulting from this solicitation, the person submitting the offer agrees not to make any payment prohibited by this clause.

(e) Penalties

(1) Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such expenditure.

(2) Any person who fails to file or amend the disclosure form to be filed or amended if required by this clause, shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(3) Contractors may rely without liability on the representations made by their subcontractors in the certification and disclosure form.

(f) Cost allowability

Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of Part 31 of the Federal Acquisition Regulation.

C. Review and Monitoring Reports

The Contractor and Prosecutor shall comply with all program and fiscal review reporting procedures, at time intervals and on specified forms as established by the Agency on the beginning date of this Agreement. Any additional reports which the Agency proposes to be completed by the Contractor or Prosecutor shall be completed pursuant to agreement by the parties to this Agreement.

D. Examination and Maintenance of Records

The Contractor and Prosecutor shall permit the Agency or any of its identified agents access to the facilities being utilized at any reasonable time to observe the operation of the program. Further, the Contractor and Prosecutor shall retain all books, records or other documents relevant to this Agreement for five (5) years after final payment, at their cost, and Federal auditors and any persons duly authorized by the Agency shall have full access to and the right to examine and audit any of said material during said period. If an audit is initiated prior to the expiration of the five-year period, and extends past that period, all documents shall be maintained until the audit is completed. The Agency shall provide findings and recommendations of audits to the Contractor and Prosecutor. The Agency shall adjust future payments or final payment if the findings of an audit indicate over or under payment to the Contractor in the period prior to the audit. If no payments are due and owing the Contractor, the Contractor shall immediately refund all amounts which may be due the Agency.
E. Insurance Coverages

The Contractor and Prosecutor shall provide and maintain public liability insurance in such amounts as necessary to cover all claims which may arise out of the Contractor or Prosecutor's operations under the terms of the Agreement. Unemployment compensation coverage, and worker's compensation insurance shall be maintained in accordance with applicable federal and state law and regulations.

F. Compliance with Civil Rights, Other Laws

The Contractor and Prosecutor shall not discriminate against any employee or applicant for employment with respect to hire, tenure, terms, conditions, or privileges of employment, because of race, color, religion, national origin, age, sex, height, weight, or marital status pursuant to 1976 P.A. 453, Section 209. The Contractor and Prosecutor shall also comply with the provisions of the Michigan Handicappers Civil Rights Act, 1976, P.A., 220 and Section 504 of the Federal Rehabilitation Act of 1973, P.L. 93-112, 87 Stat. 394, which states that no employees or client or otherwise qualified handicapped individual shall, solely by reason of handicap, be excluded from participation, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. The Contractor and Prosecutor shall comply with the Americans with Disabilities Act of 1990 (ADA), P.L. 101-336, 104 Stat. 328, which prohibits discrimination against individuals with disabilities and provides enforcement standards. Further, the Contractor and Prosecutor shall comply with all other federal, state or local laws, regulations and standards, and any amendments thereto, as they may apply to the performance of this Agreement.

G. Royalties and Copyright

The Agency reserves a royalty-free nonexclusive license to use and authorize others to use all written or visual material or other work products developed in connection with this Agreement, including all copyrightable or copyrighted materials.

H. Confidentiality

The use or disclosure of information concerning clients obtained in connection with the performance of this Agreement shall be restricted to purposes directly connected with the administration of the programs implemented by this Agreement and as required by federal regulations and state statute.
I. **Property Title**

Title to all Non-Child Support Enforcement System (CSES) property, real or personal, furnished by the Agency for use by the Contractor and Prosecutor in the performance of this Agreement shall remain in the Agency. Upon expiration of this Agreement or any extension thereof, the Contractor and Prosecutor agree to return said property to the Agency or pay the then current fair market value thereof to the Agency. However, in the event that any such property is only partially funded by the Agency, the Contractor or Prosecutor shall return said property to the Agency or pay the Agency that portion of the current fair market value of such item which is in the same percentage as the Agency's contribution to the original purchase price. Where property in which the Agency has an interest is traded for other property, the Contractor and Prosecutor shall maintain continuing records to account for the Agency's financial interest in such subsequent acquisitions.

J. **Subcontracts**

The Contractor or Prosecutor shall not assign this Agreement or enter into subcontracts which will be paid in whole or part using money received through this Agreement without obtaining prior written approval of the Agency. The Agency, as a condition of granting such approval, shall require that such assignees or subcontractors shall be subject to all conditions and provisions of this Agreement. The Contractor and Prosecutor shall be responsible for the performance of all assignees or subcontractors, and shall insure the subcontracted agents comply with all provisions of this Agreement.

K. **Continuation**

In the event that the Contractor and Prosecutor have submitted to the Agency an application for a Cooperative Reimbursement Agreement and, because of circumstances beyond the control of either the Contractor, Prosecutor, or the Agency, the Agreement cannot be concluded to take effect at the start of the new Agreement period, the delaying party shall immediately confirm in writing said circumstances and the anticipated date that the Agreement can be concluded. The Agreement in existence shall, with the approval of all parties, be extended for a period not to exceed sixty (60) calendar days from the original concluding date of the existent Agreement. Should any party not choose to extend the existent Agreement, that party shall immediately notify the others in writing.

L. **Cancellation of Agreement**

The Agency reserves the right to cancel this Agreement by giving sixty (60) calendar days written notice to the Contractor and Prosecutor. The Contractor or Prosecutor may terminate this Agreement upon sixty (60) calendar days written notice to the Agency at any time prior to the completion of the Agreement period.
M. **Closeout/Extension**

When this Agreement is concluded or terminated, the Contractor and Prosecutor shall provide the Agency, within sixty (60) calendar days after conclusion or termination, with all financial, performance and other reports required as a condition of the Agreement, unless written extension is granted by the Agency for extenuating circumstances.

The Agency shall make payments to the Contractor for allowable reimbursable costs not covered by previous payments. The Contractor shall immediately refund to the Agency any payments or funds advanced to the Contractor in excess of allowable payments for units of service provided.

N. **Continuing Responsibilities**

Termination, conclusion, or cancellation of this Agreement shall not be construed so as to terminate the ongoing responsibilities of the Contractor or Prosecutor or rights of the Agency contained in Section I, paragraphs titled **Examination and Maintenance of Records** and **Closeout/Extensions**.

O. **Dispute Resolution**

1. **Local Resolution**

   All parties agree to make a good faith attempt to resolve disputes. Resolution of any dispute shall first be attempted at the local level by County Contractor, Prosecuting Attorney (PA), Friend of the Court and the Agency's Office of Child Support (OCS) District Managers, as appropriate.

2. **Second Stage Resolution**

   If it appears a dispute cannot be resolved at the local level, the aggrieved party shall notify the other parties and the Director of the Office of Child Support, in writing, regarding the nature of the dispute and the efforts made toward resolution. Within sixty (60) calendar days of this notification, the parties and the OCS Director or designees shall meet to attempt resolution of the dispute.
3. **Formal Notice of Intent**

The Contractor and Prosecutor shall notify the Agency in writing of their intent to pursue a claim against the Agency for breach of any terms of this Agreement. No suit may be commenced by the Contractor or Prosecutor for breach of this Agreement prior to the expiration of ninety (90) calendar days from the date of such notification. Within this ninety (90) day period, the Contractor and Prosecutor, at the request of the Agency, must meet with the Director of the Agency or designee for the purpose of attempting resolution of the dispute. Formal Notice of Intent action shall not be commenced until resolution has been initiated as described in 1 and 2 above. However, these paragraphs do not restrict the right to invoke and cancel under Section I, paragraph titled **Cancellation of Agreement**.

4. **Continuation of Services and Payment**

Prior to commencement and during the pendency of a dispute or a suit for breach of this Agreement, services shall continue to be provided by the Prosecutor as set forth in this Agreement and payment for such services by the Agency shall continue without interruption, except as provided in Section III, paragraph titled **Payment** of this Agreement.

**P. Amendment**

This Agreement may be amended, at the request of any party, only by the written consent of all the parties hereto, except as otherwise provided in this Agreement. If the Contractor or Prosecutor refuses to sign such amendment, the Agency may terminate this Agreement at the end of sixty (60) calendar days from the date of request to amend. The Contractor and Prosecutor shall suffer no liability to the Agency for refusing to agree to said amendment, and said refusal shall not constitute a breach of this Agreement.

**Q. Termination - Unfair Labor Practice**

The Agency may void this contract upon fifteen (15) days notice if the name of the Contractor or Prosecutor, or the name of a subcontractor, manufacturer, or supplier of the Contractor or Prosecutor, subsequently appears in the register compiled pursuant to Section 2 of Act 278, P.A. 1980. This Act prohibits the State from entering into contracts with certain employers who engage in unfair labor practices; to prohibit those employers from entering into certain contracts with others; to provide for the compilation and distribution of a register of those employers; and to provide for the voiding of certain contracts.
R. Audit Requirements

This Agreement is funded through the Federal Child Support Enforcement Program. The Agency has determined the services provided through this Agreement constitute a subrecipient relationship according to the guidelines established in Federal Office of Management and Budget Circular A-133. The Agency shall send a letter to the Contractor each year including the Catalog of Federal Domestic Assistance number and the percentage of Federal Financial Participation (FFP).

Contractors who receive a total of $300,000 or more in federal funds from one or more funding sources in a fiscal year as subrecipients are required to comply with the provisions of Federal Office of Management and Budget Circular A-133. Copies of the audit performed for the Contractor's compliance with Circular A-133 must be submitted to the Family Independence Agency, Office of Internal Audit, no later than thirteen (13) months following the end of the Contractor's fiscal year. In addition, the Contractor shall, as required in the circular, submit a copy of the audit to the Federal Central Clearing House identified by the Federal Office of Management and Budget.

Two (2) copies of Contractor's compliance audit shall be submitted to:

Family Independence Agency
Office of Internal Audit
235 S. Grand Avenue, Suite 1112
P.O. Box 30037
Lansing, Michigan 48909

The circular contains extensive requirements for selection and qualifications of external auditors engaged to complete the audit requirements. Contractors should refer to the appropriate circular for additional information.

S. Agreement Inclusiveness

This Agreement with the previously mutually approved Application incorporated by reference and made a part hereof, is intended by the parties as the complete and final expression of their agreement with respect to the terms included herein, and may not be contradicted by evidence of any prior contemporaneous agreement, oral or otherwise.
II. CONTRACTOR AND PROSECUTOR DUTIES AND RESPONSIBILITIES

Information about the grievance system shall be provided to clients or the Agency upon request.

D. **Statewide Automated System**

The Contractor and Prosecutor agree to cooperate in meeting the federal requirement of a statewide automated system and when fully implemented and operational, to use the Child Support Enforcement System (CSES) in accordance with IV-D policies and procedures for establishing case records, locating absent parents, establishing support orders, establishing paternity, enforcing support orders and interstate IV-D activities.

E. **Applicable Costs**

The Contractor and Prosecutor, as subrecipients of Federal Financial Assistance, agree to abide by applicable provisions of the Cost Principals for State and Local Governments issued by the Federal Office of Management and Budget Circular No. A-87. This circular provides cost principles to be used in determining the availability of Federal Financial Assistance for Child Support Enforcement activities under Title IV-D of the Social Security Act. If any staff funded in part or in whole by IV-D funds do not work full time on IV-D matters, detailed time-records for such employees are required to document the amount of time spent on reimbursable activities; or an alternative method for calculating eligible expenditures may be used so long as the method accounts for specific costs incurred on behalf of cases receiving services under the IV-D state plan and is approved by the Agency.

F. **Billing Method**

The Actual Cost Reimbursement Method shall be used to claim reimbursement under this Agreement. The Cooperative Reimbursement Budget is attached hereto and made a part of this Agreement. The Budget and Application detail the amount and object of expenditures for which the Contractor and Providers shall use funds paid under this Agreement. The Contractor and Providers shall follow and adhere to the Budget. Only costs actually expended may be billed. However, expenditures up to $3,000 above the direct cost line item budget categories are permissible provided the sum of all expenditures does not exceed the total amount of the Agreement.
The Contractor and Providers must obtain written approval from the Agency to increase or decrease line items in the budget by more than $3,000. The Contractor and Provider’s request for the Agency's approval must contain sufficient information to allow the Agency to identify which budget line items are to be increased, which line items are to be decreased, the reason for change, the programmatic impact of the budget changes and must stay within the originally approved budget total. The person authorized to approve budget revisions is the Director of the Office of Child Support.

Actual costs may include the cost of fringe benefits provided for the Contractor and Prosecutor’s employees funded by this Agreement, in the same proportion as those employees are engaged in IV-D reimbursable activities. Further, those fringe benefits shall be no greater than fringe benefits provided to similar non-IV-D employees. Fringe benefits may include longevity, vacation, personal leave, holiday, sick leave, medical, dental, optical, life insurance, disability insurance, retirement, social security, workers compensation, and unemployment insurance.

G. **Billing Procedure**

The Contractor and Prosecutor shall submit a monthly "Title IV-D Cooperative Reimbursement Expenditure Report," (Form DSS/FIA-286), detailing program-related expenditures. The DSS/FIA-286 shall indicate actual expenditures by category of expense in the performance of this Agreement for the period being billed. The DSS/FIA-286 shall be submitted within fifteen (15) working days from the end of the monthly billing period to the District Contract Manager.

III. **AGENCY DUTIES AND RESPONSIBILITIES**

A. **Program Administration**

The Agency, as a recipient of Federal Financial Assistance, shall administer the Title IV-D program in Michigan, and shall maintain the approved Title IV-D State Plan consistent with federal requirements. The Agency shall distribute program regulations, forms and instructions to the Contractor and Prosecutor through the IV-D Program Prosecuting Attorney Handbook and Prosecuting Attorney Letter Series.

B. **Payment**

The Agency shall complete its processing of payments to the Contractor within thirty (30) calendar days after receipt of the Contractor’s monthly DSS/FIA-286, "Title IV-D Cooperative Reimbursement Expenditure Report," detailing program related expenditures as set forth in the budget attached to and made part of this Agreement. For DSS/FIA-286’s submitted after the due date the Agency reserves the right to delay processing and payment to the next available cycle.
The Agency reserves the right to defer or disallow payment of any claim submitted by the Contractor and Prosecutor for failure to document and provide records, statistics, and reports to the Agency as required by this Agreement or as are required by applicable state statutes and federal regulations. For DSS/FIA-286's submitted after the due date, the Agency reserves the right to delay processing and payment to the next available cycle.

C. Program Compliance Monitoring and Evaluation

The Agency shall monitor and evaluate Prosecutor performance for compliance with Federal Title IV-D Program regulations and the terms of this Agreement. Performance compliance shall be measured against the IV-D Program Prosecuting Attorney Handbook and federal program audit standards established to ensure that program services are administered effectively and efficiently. The Agency shall request corrective action when a program compliance evaluation indicates areas of substantial noncompliance.

D. Maximum Amount of Agreement

The maximum amount of this Agreement as appropriated by the Contractor is ONE HUNDRED SIXTY-EIGHT THOUSAND ONE HUNDRED FIFTY-EIGHT AND 00/100 DOLLARS ($168,158.00). The maximum amount of costs to be reimbursed by the Agency shall be the State share of actual expenditures during the life of this Agreement up to the maximum of the Title IV-D program net budget, a copy of which is attached hereto and made a part hereof.
IN WITNESS WHEREOF, the Agency and Contractor have caused this Agreement to be executed by their respective officers duly authorized to do so.

SETTING A PROPOSED COUNTY OPERATING TAX RATE

WHEREAS, Act No. 5 of the Public Acts of 1982, as amended by Act No. 2 of 1986, commonly known as the "Truth in Taxation" law, provides that "the governing body of a taxing unit shall not levy ad valorem property taxes for operating purposes for an ensuing fiscal year of the taxing unit which yields an amount more than the sum of the taxes levied at the base tax rate on additions within the taxing unit for the ensuing fiscal year plus an amount equal to the taxes levied for operating purposes for the concluding fiscal year on existing property."

AND WHEREAS, the governing body of a taxing unit may approve the levy of an additional millage rate only after publishing a notice, holding a public hearing, and adopting a separate resolution; and

WHEREAS, the notice must be published not less than six (6) days prior to the public hearing; which notice, if approved, shall contain certain statements relating to the proposed rate and percentage which the revenues would increase; which notice, if not approved, shall contain certain statements relating to the proposed rate and percentage which the revenues would increase over the preceding year's operating revenue; that the governing body has complete authority to establish such millage rate; that the final rate may be approved not more than ten (10) days after the public hearing; the date and location the taxing unit plans to take action on the proposed additional millage will be announced at this public meeting; and

WHEREAS, the maximum millage rate that the St. Clair County Board of Commissioners can adopt is 7.1400 mills (of which 5.3869 is County; .2837 is Drug Enforcement extra voted millage; .4694 is Senior Citizen extra voted millage; .5000 is County Library extra voted millage; and .5000 is Parks and Recreation extra voted millage; and

MEMO TO: Don Dodge, County Administrator/Controller  
FROM: John A. McClellan, Acting Director Equalization Dept.  
DATE: September 3, 1997  
SUBJECT: "Truth in Taxation" Procedures

St. Clair County will be required to conform to the provisions of Public Act 5 of 1982 (Truth in Taxation) if it desires to restore the county’s general operation millage rate to 5.3869 mills for fixed allocated, .2837 mills for the drug task force program, and .5000 mills for the senior citizens, library, and parks and recreation programs. The county can levy only .4694 of the .5000 maximum allowable mills for the senior citizens program unless the difference is approved by voters under separate ballot language. The fixed allocated and drug enforcement millages are permanently reduced due to the Headlee Amendment.

Act 5 requires the county to roll back its tax rate whenever it receives more property tax money (except from "new" construction) than it received in the preceding year. The county can restore the tax rate(s) by:

1. Publishing a notice of public hearing with the heading "Notice of a Public Hearing on Increasing Taxes" in 18 point type, (and certain other information).

2. Holding a public hearing (which may also be the same hearing required by Act 43 of 1963 for adoption of the proposed budget).

3. Adopting a separate resolution approving the levy of the additional millage rate.

Two laws, Public Acts 106 and 107 of 1985, provide for all counties to receive state-returned revenue from hotel and liquor taxes and Public Act 2 of 1986 requires that the returned revenue be considered as "property tax" revenue, thereby triggering the provisions of Public Act 5. The returned revenue has been estimated by the Michigan Department of Treasury at $470,950. $3,262 must be added to the estimated revenue since that figure is the difference between the estimated prior year distribution and the actual prior year distribution of tax revenue. Therefore the amount of the convention facility/liquor tax distribution to be used to reduce the St. Clair County base tax rate for the 1997 Truth-in-Taxation hearing purposes is $474,212.

Under Public Act 264 of 1987, counties share in the recent $.04/pack cigarette tax increase. The estimated amount of this distribution to St. Clair County in 1998 is $103,121. $10,570 must be added to the estimated revenue since that figure is the difference between the estimated prior year distribution and the actual prior year distribution of tax revenue. Therefore the amount of the cigarette tax distribution to be used to reduce the county base tax rate for the 1997 Truth in Taxation hearing purposes is $113,691.

The total amount St. Clair County must use to reduce its base tax rate for 1997 Truth-in-Taxation hearing purposes is $587,903. This total amount would require a roll back of about 30 cents.

* A Government of Service *
The county must either: (1) reduce (roll back) its millage rates by the amount of the returned revenue, or (2) use half of the returned convention tax facilities revenue for general operation purposes and half for substance abuse programs and also allocate the cigarette tax revenue in accordance with the 11/17, 5/17, 1/17 purposes as described in the following pages. If the county elects to choose the second option, then the county must comply with the 3 steps of the "Truth in Taxation" laws. The county would have to go through that procedure this year anyway if it desired to return to the maximum allowable rate previously reduced by the Headlee Amendment regardless of which state-returned revenue option it selects, because there is a millage rollback (about 16 cents) caused by an increase in last year's valuation over inflation.

Enclosed for your information is:
A. Information regarding the use of convention facilities and cigarette tax revenues.
B. A worksheet used by me to determine county operating levies and revenues for 1997.
C. A sample "Notice" which I believe meets all the requirements for publication.
D. A copy of form L-4029 Millage Request Report to County Board of Commissioners.

The publishing-hearing-adoption requirements are very specific and a procedure calendar should be established by you to assure complete compliance on a timely basis.
Act 106 of 1985 is the "State Convention Facility Development Act." Act 106 imposes a tax of 3 to 5% of the room charge on convention hotels as defined in the Act. Act 107 of 1985 increased the liquor tax by 4%. The Act is cited as the "Tourism and Convention Facility Promotion Tax Act." The counties receive a share of the revenues imposed pursuant to Acts 106 and 107.

Act 2, P.A. of 1986 amended Section 24e of the General Property Tax (Section 211.24e, M.C.L.) to require the counties to reduce their base tax rates for truth in taxation purposes by the millage rate produced by dividing the estimated convention facilities tax revenue to be received by the county. A county may follow the truth in taxation process to use the revenues for increased spending, but 50% of the convention facilities tax revenue not used to reduce the county millage rate must be used for substance abuse programs operated by the county's coordinating agency designated pursuant to the Health Code.

In 1987, P.A. 219 increased the cigarette tax by 4 cents per pack (2 mills per cigarette packaged 20 to a package). The proceeds of the 4 cent increase is deposited in its entirety to a "Health and Safety Fund" created by Act 264, P.A. of 1987. These instructions discuss distribution of this tax only to the extent that the distribution affects the 82 counties excluding Wayne.

Act 264, P.A. of 1987 requires a county to reduce its base tax rate for truth in taxation purposes by an amount determined by dividing the estimated cigarette tax revenue by the state equalized value of the county. The cigarette tax revenue to the extent not used to reduce the county's millage rate must be used for the following purposes:

A. 11/17 of the distribution to the county health department for public health prevention programs and services. This distribution is in addition to and is not intended as a replacement for any state or county payments to these health departments.

B. 5/17 of the distribution shall be used only for the operation, maintenance, or expansion of an existing county jail facility or juvenile facility; for the acquisition, construction, and equipping of a new jail facility or juvenile facility; or for court operations.

C. 1/17 of the distribution is not restricted to specific purposes and is to be included with other county revenues budgeted by the board of commissioners.
To summarize, a county for truth in taxation hearing notices, must reduce its base tax rate by both the estimated amounts to be received in Convention Facilities Tax and Cigarette Tax revenues.

If, after the truth in taxation hearing is held, the county decides to levy its maximum authorized operating rate, the county will generally spend 50% of its convention facilities tax revenue for substance abuse programs and the cigarette tax money as indicated in this bulletin.

The following pages contain examples of the base tax rate calculations that are required.

SUBJECT: Personal Property Appeals

As most of you know, there has been a significant increase in the number of personal property appeals filed this year at the Michigan Tax Tribunal (MTT). There appears to be two key reasons why this has happened. First, taxpayers are anticipating a possible change in the State Tax Commission (STC) multipliers and want to preserve their appeal rights for 1997 by filing "protective" appeals. Second, the large utility companies in the state have appealed in many of the jurisdictions in which they do business. The utility company appeals are possibly based on the results of an appraisal study recently sponsored by the utility industry.

I have been advised that the MTT is still sorting through this year's appeals and has yet to issue any general policy regarding their plan to dispose of these cases. However, the STC will request that the MTT place the utility related cases in abeyance pending completion of a comprehensive study of the STC personal property multipliers. (The study and the tables which result from the study will not be completed until sometime in mid-1998.) The STC will also request that it be made a party of interest in those cases.

Whether the MTT makes the STC a party to the utility cases or not, it is critically important that the local assessing unit properly respond to petitions and other correspondence from the Tribunal. Failure to do so could lead to a default situation. Additionally, a certified assessor who does not respond to an appellant's petition before the MTT is advised that the State Assessor's Board rule 221.447 provides that the board shall proceed under section 24.291 and 24.292 of the Michigan Compiled Laws (MCL) when a certified assessor willfully fails to respond to an appellant's petition before the MTT. MCL 24.291 and 24.292 provide for proceedings to suspend, revoke, and/or cancel a license.
With respect to non-utility cases, they may or may not be held in abeyance by the MTT until the study is complete. From a docket management standpoint, the MTT may wish to grant requests to hold a case in abeyance and wait for the study to be completed if they believe that this course of action will ultimately lead to settlement of the case. As a general rule, the STC will not seek to become involved in these cases. As an aside, the MTT has requested that the parties refrain from phoning them to ask how the cases will be handled. The parties will be notified when a decision is reached.

Depending on the results of the STC study, there is a chance that the STC will recommend settlement of the utility cases based on the new tables. Since the study will not be complete until mid 1998, there is likely to be two years of outstanding appeals to be resolved at that time. If your local unit has a significant number of personal property cases that are ultimately held in abeyance, you may wish to develop a budget reserve, or at least bring this situation to the attention of the budget officer within your assessment jurisdiction.

Thank you for your attention.
RESOLUTION 97-43
WAIVING INTEREST ACCRUED ON TAXES COLLECTED BY LOCAL UNITS

WHEREAS, the General Property Tax Act of Michigan, being No. 206 of P.A. of 1893, as amended, provides that townships and city treasurers charged with the responsibility of collecting taxes, shall account for and deliver to the County Treasurers, and the School District Treasurers, taxes collected within 10 business days after the first and fifteenth day of each month; and

WHEREAS, Public Act No. 169 of 1988, addressed the subject of interest earned on tax collections, providing that an agreement can be made between a collecting unit and a taxing unit regarding interest earned; and

WHEREAS, to divide and distribute accrued interest owed to the County of St. Clair by the local tax collecting units would impose a severe administrative burden on the local collecting units; and

WHEREAS, in the opinion of this Board of Commissioners, the accounting costs incidental to the distribution of interest would likely surpass the amount of interest; and

WHEREAS, this Board is not required to, but may, in its discretion, waive receipt of interest amounts attributed to collected taxes for the year 1996.

NOW, THEREFORE, BE IT RESOLVED, that the payment of any interest which may be due and owing to the County from the 1997 Tax collections, is hereby waived.

APPLICATION FOR TRANSPORTATION FUNDS FOR ST. CLAIR COUNTY

Community Mental Health, the ARC and the Economic Opportunity Committee all operate county wide transportation services for their clients in St. Clair County. The combined annual budget for these three (3) transportation programs is about $1.15 million. Currently, these programs do not receive any State Transportation funds. In many other counties, these types of transportation programs do receive State Transportation funds.

The Blue Water Area Transportation Commission (BWATC) has applied for State Transportation funds on behalf of these three (3) agencies. Based on legislation passed in July, 1997, it appears likely that BWATC can secure State Transportation funds for up to 60% of the eligible expenses of these three (3) transportation programs in 1998. In order to do so, however, the St. Clair County Board of Commissioners must first pass a resolution authorizing the Blue Water Area Transportation Commission to provide public transportation service in the entire county.

To accomplish this, BWATC would like a resolution from the governing board of each agency (EOC, CMH and the ARC) recommending that the County Commission pass the necessary resolution.

Re: Public Transportation Matters

Dear Jim:

We enclose a draft of an Agreement between St. Clair County and Blue Water Area Transportation Commission, together with the form of a Concurrent Resolution for consideration by the Board of Commissioners of St. Clair County and the Board of Commissioners of Blue Water Area Transportation Commission.

It should be explained to Don Dodge that you and I both agree that a formal Agreement between St. Clair County and Blue Water Area Transportation Commission patterned after agreements under Act 8 of the Public Acts of 1967, entitled: Intergovernmental Transfers of Functions and Responsibilities does not seem appropriate. The main reason for this is that no "county-wide" commission has been established in St. Clair County of county-wide transportation services and, accordingly, there is no overlap of public transportation services between St. Clair County and BWATC and, further, no transfer of functions or responsibilities for county-wide transportation services is actually needed under the Public Acts of 1967.

However, since the Michigan Public Service Commission has twice stated that they require an "agreement" between St. Clair County and Blue Water Area Transportation Commission, generally patterned along the lines of agreements of Act 8 of the Public Acts of 1967, we have determined, as a practical matter, to "not further argue with them" and simply have such an innocuous "agreement" adopted by the two (2) parties.

In drafting the Agreement between St. Clair County and Blue Water Area Transportation Commission, we have attempted to address most of the items set forth in the checklist entitled "Items for Act 8 Interlocal Agreements, May 1, 1992" furnished to you by MDOT.
Since MDOT twice refused our request that St. Clair County simply adopt a Resolution of support for this funding we believe this form of "Agreement" should be acceptable. It does not obligate St. Clair County to any financial undertakings on the one hand, and it facilitates BWATC becoming a conduit to bring more public funds into the county for county-wide public transportation services, on the other hand.

Please advise if we can be of further service on this matter.

Sincerely,

Authorizing BWAT to Provide Services
for
The Entire County

1. Whereas, The Arc of St. Clair County is and has been for many years an important provider of transportation services for persons with disability, and

2. Whereas, The Arc has been unable to garner adequate funding to provide these transportation services, and

3. Whereas, The Arc has therefore redirected significant resources toward increasing need and demand for these services from All Areas Of The County, and

4. Whereas, The Arc has a contractual relationship with Blue Water Area Transportation to assist The Arc in limited areas of the county, and

5. Whereas, The BWAT is the designated recipient of state transportation funds in St. Clair County, and

6. Whereas, The BWAT is in the process of applying to the state of Michigan for additional transportation funds to support The Arc’s transportation services for persons with disabilities residing in all areas of the county, and

7. Whereas, it appears that such funding is forthcoming for the new fiscal year, and

8. Whereas, it is necessary for The St. Clair County Commissioners to pass a resolution authorizing and designating the BWAT as the provider of transportation for the ENTIRE County in order for the state funding to flow to BWAT, to Community Mental Health, and to The Arc;

RE: Road Commission Resolution 97-30,  

Dear Don:  

Attached is correspondence received by this office regarding the annual audits for the Road Commission and it subsidiaries. Everything appears to be in order insofar as the resolution and the proposed contract apply to the Road Commission. Annual audits of the financial records, accounts, and procedures of the county road commissions in counties having a population in excess of 50,000 person are required by MCL 224.26. The procedures to be followed, and the mandatory contents the audit report are detailed in MCL 224.27 through 224.32. Consent to the contract by the County Board of Commissioners is required by MCL 224.27.  

We note that such audits, although good practice, do not appear to be required for either the Airport Commission or the Department of Public Works. In fact, given that the proposed contract has yet to be executed, and that the resolution of the Road Commission is dated August 5, 1997, it is not clear that the Road Commission has any authority to contract for anything involving the Airport. The former Airport Commission was dissolved by action of the Board at the July 23, 1997 meeting, and the two members of the International Airport Commission were just appointed at the Board's August 13, 1997 meeting. While a full audit is certainly a good idea, particularly given the change in status of the Airport, it should be ordered by the Board, or by the new International Airport Commission, not the Road Commission.  

(As a side note, this request brings to mind a host of questions concerning the future budget and accounting for the Airport, and the International Airport Commission, that are not relevant to the instant matter, but should be considered in the near future. Among them the need to separate accounts and funds; for the new commission to establish its operating policies and procedures, and so on and so on.)
Respectfully yours;

The Agency shall provide findings and recommendations of audits to the Contractor and Court. The Agency shall adjust future payments or final payment if the findings of an audit indicate over or under payment to the Contractor in the period prior to the audit. If no payments are due and owing the Contractor, the Contractor shall immediately refund all amounts which may be due the Agency.
E. **Insurance Coverage**

The Contractor and Court shall provide and maintain public liability insurance in such amounts as necessary to cover all claims which may arise out of the Contractor or Court's operations under the terms of the Agreement. Unemployment compensation coverage, and worker's compensation insurance shall be maintained in accordance with applicable federal and state law and regulations.

F. **Compliance with Civil Rights, Other Laws**

The Contractor and Court shall not discriminate against any employee or applicant for employment with respect to hire, tenure, terms, conditions, or privileges of employment, because of race, color, religion, national origin, age, sex, height, weight, or marital status pursuant to 1976 P.A. 453, Section 209. The Contractor shall immediately refund to the Agency any payments or funds advanced to the Contractor in excess of allowable reimbursable expenditures.

2. Second Stage Resolution

If it appears a dispute cannot be resolved at the local level, the aggrieved party shall notify the other parties and the Director of the Office of Child Support, in writing, regarding the nature of the dispute and the efforts made to resolve the dispute. Within sixty (60) calendar days of this notification, the parties and the OCS Director or designee(s) shall meet to attempt resolution of the dispute.

3. Formal Notice of Intent

The Contractor and Court shall notify the Agency in writing of their intent to pursue a claim against the Agency for breach of any terms of this Agreement. No suit may be commenced by the Contractor or Court for breach of this Agreement prior to the expiration of ninety (90) calendar days from the date of such notification. Within this ninety (90) day period, the Contractor and Court, at the request of the Agency, must meet with the Director of the Agency or designee for the purpose of attempting resolution of the dispute. Formal Notice of Intent action shall not be commenced until resolution has been initiated as described in 1 and 2 above. However, these paragraphs do not restrict the right to invoke and cancel under Section I, Paragraph K.

4. Continuation of Services and Payment

Prior to commencement and during the pendency of a dispute or a suit for breach of this Agreement, services shall continue to be provided as set forth in this Agreement and payment for such services by the Agency shall continue without interruption, except as provided in Section III, Paragraph B of this Agreement.

O. Amendment

This Agreement may be amended, at the request of any party, only by the written consent of all the parties hereto. If the Contractor or Court refuses to sign an amendment, the Agency may terminate this Agreement at the end of sixty (60) calendar days from the date of request to amend. The Contractor and Court shall suffer no liability to the Agency for refusing to agree to said amendment, and said refusal shall not constitute a breach of this Agreement.
P. **Termination - Unfair Labor Practice**

The Agency may void this contract upon fifteen (15) calendar days notice if the name of the Contractor or Court, or the name of a subcontractor, manufacturer, or supplier of the Contractor or Court, subsequently appears in the register compiled pursuant to Section 2 of Act 278, P.A. 1980. This Act prohibits the state from entering into contracts with certain employers who engage in unfair labor practices; to prohibit those employers from entering into certain contracts with others; to provide for the compilation and distribution of a register of those employers; and to provide for the voiding of certain contracts.

Q. **Audit Requirements**

This circular provides cost principles to be used in determining the availability of Federal Financial Assistance for Child Support Enforcement activities under Title IV-D of the Social Security Act. If any staff funded in part or whole by IV-D funds do not work full time on medical support matters, detailed time-records for such employees are required to document the amount of time spent on reimbursable activities. If employees intermingle work effort on child support enforcement and medical support enforcement, the FOC must document the medical support enforcement effort through time study if a claim is to be honored under this contract.

Medical support enforcement has been and shall continue to be funded under the existing cooperative reimbursement contract already in effect between these parties. This contract shall fund medical support enforcement work effort in addition to that already funded under the cooperative reimbursement contract (CRP). The funding in this contract shall be available only to the extent that the Contractor and the Court maintain the same IV-D staffing levels already funded under the 1995 cooperative reimbursement program (CRP) contract. The Contractor and the Court shall not leave positions vacant under the CRP contract while billing for services under the MSE contract.

F. Billing Method

The Actual Cost Reimbursement Method shall be used to claim reimbursement under this Agreement. The Medical Support Enforcement Budget is attached hereto and made a part of this Agreement. The Budget and Application detail the amount and object of expenditures for which the Contractor and Court shall use funds paid under this Agreement. The Contractor and Court shall follow and adhere to the Budget. Only costs actually expended may be billed. However, expenditures up to $3,000 above the direct cost line item budget categories are permissible provided the sum of all expenditures does not exceed the total amount of the Agreement. The Contractor and Court must obtain written approval from the Agency to increase line items in the budget by more than $3,000. The Contractor and Court's request for the Agency's approval must contain sufficient information to allow the Agency to identify which budget line items are to be increased, which line items are to be decreased, the
reason for change, the programmatic impact of the budget changes and must stay within the originally approved budget total. The person authorized to approve budget revisions is the Director of the Office of Child Support. Actual costs may include the cost of fringe benefits provided by the Contractor for the Court and employees funded by this Agreement, in the same proportion as that employee is employed in IV-D Medical Support Enforcement reimbursable activities, as long as those fringe benefits are no greater than benefits the Contractor provides to similar non-IV-D employees, and are not contrary to any federal regulation. Fringe benefits may include longevity, vacation, personal leave, holiday, sick leave, medical, dental, optical, life insurance, disability insurance, retirement, social security, workers compensation, and unemployment insurance.

G. Billing Procedure

The Contractor and Court shall complete a monthly "Title IV-D Cooperative Reimbursement Expenditure Report," (Form DSS/FIA-286A) detailing program related expenditures and the progress of the project with respect to the goals stated in the contract application. The DSS/FIA-286A shall indicate actual expenditures by category of expense in the performance of this Agreement for the period being billed. The DSS/FIA-286A shall be submitted within fifteen (15) working days from the end of the monthly billing period to the District Contract Manager.

H. Bonding of Employees

The Contractor and Court agree to assure that every person who, as a regular part of his or her employment, receives, disburses, handles, or has access to support collections shall be covered by a bond or insurance, or be self-insured with the approval of the Agency, in an amount sufficient to protect against loss resulting from employee dishonesty.

III. AGENCY DUTIES AND RESPONSIBILITIES

A. Program Administration

The Agency, as a recipient of Federal Financial Assistance, shall administer the Title IV-D program in Michigan, and shall maintain the approved Title IV-D State Plan consistent with federal requirements. The Agency shall distribute program regulations, forms and instructions to the Contractor and Court through the Manual for Friend of the Court, Section 4000 and Friend of the Court Letter Series.

B. Payment

The Agency shall complete its processing of payments to the Contractor within thirty (30) calendar days after receipt of the Contractor's monthly DSS/FIA-286A, "Title IV-D Medical Support Enforcement Expenditure Report," detailing program related expenditures as set forth in the budget attached to and part of this Agreement. For
DSS/FIA-286A's submitted after the due date the Agency reserves the right to delay processing and payment to the next available cycle.

The Agency reserves the right to defer or disallow payment of any claim submitted by the Contractor and Court for failure to document and provide records, statistics, and reports to the Agency as required by this Agreement or as are required by applicable state statutes and federal regulations.

C. Program Compliance Monitoring and Evaluation

The Agency will monitor and evaluate Court performance for compliance with federal Title IV-D Program regulations and the terms of this agreement. Performance compliance shall be measured against federal program audit standards established to ensure that program services are administered effectively and efficiently. The Agency shall request corrective action when a program compliance evaluation indicates areas of substantial noncompliance with the terms of this agreement on the part of the Court.

D. Maximum Amount of Agreement

The maximum amount of this agreement as appropriated by the Contractor is SIXTY-EIGHT THOUSAND TWO HUNDRED TWENTY-FIVE AND 00/100 DOLLARS ($68,225.00). The maximum amount of costs to be reimbursed by the Agency shall be the State share of actual expenditures during the life of this agreement up to the maximum of the Title IV-D program net budget, a copy of which is attached hereto and made a part hereof.
IN WITNESS WHEREOF, the Agency and Contractor have caused this Agreement to be executed by their respective officers duly authorized to do so.

REGARDING CHARGES TO REMOVE
ROAD COMMISSION MEMBER CARL MCCORMICK

BE IT RESOLVED that the attached statement of charges against St. Clair County Road Commissioner Carl McCormick has been preferred to the St. Clair County Board of Commissioners, and it is the intention of the Board of Commissioners to determine whether said charges are sufficient to warrant his removal from the office of County Road Commissioner, pursuant to the provisions of MCLA 224.6; and

BE IT FURTHER RESOLVED, that Carl McCormick shall be given written notice by the Secretary of the St. Clair County Board of Commissioners of the said charges and that he is entitled to a hearing on the charges which will be held at a Special Meeting on the 27th day of August, 1997, at 5:00 P.M. in the Commissioners Room 202, County Building, 201 McMorran Boulevard, Port Huron, Michigan, at which time he will be afforded full opportunity to be heard in answer to said charges, either in person or by counsel. STATEMENT OF CHARGES

The following statement of charges is made against Carl McCormick for his removal as Chairman of the County Road Commission under Michigan Compiled Law 224.6. The charges are for actions committed under Carl McCormick's leadership as Chairman of the County Road Commission. The charges are as follows:

1. Carl McCormick chaired a closed Road Commission meeting in violation of the Michigan Open Meetings Act.

2. Carl McCormick failed to initiate action to discipline management employees for actions which were unbecoming their positions and an embarrassment to the Road Commission. For example, the two top management employees at the Road Commission promoted an illegal closed meeting to keep secret a report which the public had a right to know and they violated the Freedom of Information Act by deleting information which was to be turned over to the media. The employees were never publically reprimanded or disciplined which in turn damaged the credibility of the Road Commission in the eyes of the taxpayers of this county.

3. Failure to maintain proper office hours for the benefit of the public.

4. Mismanagement of Road Commission funds by way of example, allowing excessive management salaries, excessive benefit packages, excessive severance packages, allowing use of sick time coupled with overtime and excessive use of comp time.

5. Failure to maintain a proper Soil Erosion and Sedimentation Control program despite being cited by the state.

6. In general, the failure to exercise and provide leadership in order to establish and require accountability by top management employees such that there has been a significant loss of respect for the Road Commission by the public in general. The failure to provide proper oversight of management employees has resulted in public funds being wasted by paying excessive compensation, allowing excessive benefits and expenditures. This results in a loss of funds which should be spent on this counties roads.

Non-affiliated employees shall be defined as those employees who are not represented by, or pay a service fee to a labor organization, union or association. Affiliated employees shall be subject to these policies where not otherwise addressed by collective bargaining agreement.

2. These policies have been prepared to improve communications with our employees. Their purpose is to explain what you can expect as an employee in the area of benefits, as well as to review certain guidelines and policies by which the County is operated. It is the County's intent, to administer wages, benefits and establish guidelines for the operation of the County in a fair and impartial manner to County employees, with recognition that the goal of these policies is service to the residents of St. Clair County.

3. While the County believes wholeheartedly in the plans, policies and procedures described herein, the County reserves the right to establish, modify, terminate, waive and interpret these policies and benefits in any manner which it determines to be in its best interest. The policies and benefits described herein are not conditions of employment nor is the language used intended to create a contract between the County and any of its employees for either employment or the providing of benefits.

4. In any situation where insurance is provided, the terms and conditions contained in the insurance policy are controlling, irrespective of any statement in the Personnel Policies.

5. It is our firm conviction that with mutual adherence to the policies and procedures described herein, and with continued good communications, St. Clair County will be a "good place to work".

3.7: All complaints and actions taken to resolve such complaints will be treated confidentially and will be disclosed only when necessary to the investigation and the resolution of the matter.

Board of Road Commissioners was delegated the powers and
duties set out in the State Aeronautics Act, specifically
being section 259.133 of the Michigan Compiled Laws, and the

the St. Clair County Airport Commission;

WHEREAS, the Chairperson of the St. Clair County
Airport Commission has appeared before this Board to request

County in general and the users of the Airport in particular.

NOW, THEREFORE, BE IT RESOLVED, that the section of

Don:

I have reviewed the unnumbered resolution of the St. Clair County Board of Supervisors dated April 18, 1956 to determine whether the Board of Commissioners can appoint additional members to the Airport Commission without having to rescind this resolution and recreate the Airport Commission.

In my opinion they cannot. The 1956 resolution clearly and unambiguously gave the County Road Commission all the powers and authority allowed by statute for an Airport Commission. It went on to specify that the members would elect a chairman and would be styled the County Airport Commission. This is consistent with the enabling legislation that allowed vesting the powers allowed in any public board, body, or officer. The Board of Supervisors designated the Road Commission as the public board to operate the County Airport under the Aeronautics Code. The number of Road Commissioners is set by statute and the County Board is without authority to expend or diminish that number.

In order to add members to the Airport Commission it is necessary to rescind the 1956 resolution and pass a new resolution creating a new Airport Commission and specifying the membership of that Commission.

Whereas a communication has been received from Mr. Robert Bristle, requesting a lease of certain airport property for an aircraft repair business; and

Whereas, such request has previously been denied by the County Airport Committee for the reasons that no satisfactory plan had been submitted by Mr. Bristle for financing and ownership of the building needed for the purpose, and that no need for such additional repair services exists at the present time; and

Whereas, the Aeronautics Committee of this Board has reviewed the matter and finds that the County Airport Committee acted fairly and in the public interest, in denying such request;

Now therefore it is hereby resolved that Mr. Bristle's request for a lease of a portion of the Airport property for operation of a repair business be denied, without prejudice to submitting a new request to the County Airport Committee in the future, should changed conditions require such additional services.

Moved by Supervisor Merritt, supported by Supervisor Stockwell, that the foregoing resolution be received and adopted. Carried.

RESOLUTION OF THE
BOARD OF SUPERVISORS
OF THE COUNTY OF ST. CLAIR

April 16, 1956

Whereas, by resolution dated October 20, 1944, this Board created the
County Airport Committee, and appointed thereto the members of the Board of
County Road Commissioners with all the duties, powers and authority conferred by
law on such committees, and by the same resolution delegated to the County Airport
Committee all the powers and duties conferred by law upon the Board of Supervisors for the
general control, supervision, operation, regulation and government of airports and
landing fields acquired by this County, and;

Whereas, the County Airport Committee was, by Act 90 of 1913, as amended
by Act 275 of 1939, given the management, control and expenditure of funds appro-
priated by this Board for airport purposes, and the duties to hold in trust for
the County the title to any real estate acquired for airport purposes, (c)
supervise the improvement of any such property and (e) control and care for such
airport and landing field property, making rules and regulations respecting use of
the same by the public; and

Whereas, the members of the Board of County Road Commissioners have continued
to be appointed by this Board to the County Airport Committee, and, as such, have
developed the airport facilities and have successfully operated and managed the
same, leased portions thereof to operators and have otherwise successfully per-
formed the foregoing duties imposed upon them by this Board, and by law; and

Whereas, Act 327 of 1945, The Aeronautics Code, by Section 113 thereof, now
permits the vesting of such airport powers and duties for the construction, en-
largement, improvement, maintenance, equipment, operation and regulation thereof
in any board of the County and it is deemed an advantage, in fact not to vest
such airport powers in the Board of County Road Commissioners, a corporate entity,
as such, rather than in the members thereof, as a committee.
NOW THEREFORE, IT IS EMINENTLY RESOLVED THAT:

1. This Board of Supervisors does hereby delegate to, and vest in, the Board of County Road Commissioners of the County of St. Clair, the powers and duties as set forth by law in Section 13 of the Aeronautics Code, Act 275 of 1945, and in Act 275 of 1939, including power and authority, in accordance with such statutes, for the construction, enlargement, improvement, maintenance, equipment, operation and regulation thereof, to designate an airport manager, to adopt rules and regulations for the wise use of airport properties, and for safeguarding the public, to lease the airport facilities for operation and use, to lease concessions of supplying goods, services and facilities so as not to impair the public use thereof.

2. The Board of County Road Commissioners, when acting with respect to such airport matters shall be styled the County Airport Commission, and shall, as such, elect Chairman.

3. All records and accounts of airport matters shall be kept and accounted for separately from road matters, and the County Airport Commission, as such, shall make an annual report to this Board prior to the October session.

Whereas the U.S. Civil Aeronautics Authority and the Michigan Department of Aeronautics have required the County Airport Committee for St. Clair County to acquire additional land as described below, and tree cutting rights on additional land in order to extend the main runway of the St. Clair County Airport in a southwest direction and to provide safe clearance of glide angle for aircraft landing and taking off from that end of the runway; and

Whereas, the U.S. and state governments will not allocate any further funds for development of the airport until such land and tree rights have been acquired; and

Whereas, the County Airport Committee has sufficient funds on hand to acquire such land and tree rights, estimated to cost $10,000.00;

NOW, THEREFORE, BE IT RESOLVED THAT the County Airport Committee be and it hereby is authorized to purchase, or condemn if necessary, the following described land in St. Clair Township:

a) Northwest 1/4 of Northwest 1/4, Section 2
b) Lots 21-29 inclusive, Doris Subdivision
c)Parcel 1-3 inclusive, Sunset Subdivision (unrecorded)
d) Tree cutting rights as needed for minimum glide angle approach to southwest end of airport runway, as extended;

for an estimated cost of $10,000.00, for the purpose of extending the main airport runway to the southwest, which is hereby declared to be a public necessity.

 Moved by Supervisor Merritt, supported by Supervisor Clyne, that the foregoing resolution be received and adopted:

Mr. C. Harold Wills, member of the County Airport Committee, addressed the Board, by request, regarding the said resolution.

Motion carried.

BE IT FURTHER RESOLVED, that this enabling resolution shall not be effective until such time as an Intergovernmental Agreement between the St. Clair County Board of Commissioners and the St. Clair County Community Mental Health Services Board has been adopted by each of those bodies no later than September 30, 1997; and

BE IT HEREBY FURTHER RESOLVED, that if any provisions of this enabling resolution conflicts with the Mental Health Code, the Mental Health Code supersedes the conflicting provision; and

RE: Request for Opinion 97-4

Dear Don:

You have asked us to review Drain Commissioner Fuller’s request for a resolution from the Board of Commissioners, as provided for in MCL 280.51, instructing him to require a cash deposit with applications for new drainage districts. Mr. Fuller has also asked if such a resolution is necessary if he determines to ask for a deposit, and whether such a resolution would be needed for each individual application.

The pertinent part of MCL 280.51 states,

“The board of [commissioners], by resolution, may instruct the drain commissioner to refuse any application to lay out a drainage district unless a cash deposit, sufficient to cover the preliminary costs, accompanies the application.”

The section then goes on to specify terms of repayment if the drain is completed, and what should be done if the drain is not determined to be either feasible or necessary.

There appears to be no appellate case evaluating this section. In fact, the most recent case dealing with the predecessor statute (CL 1897, § 4319) appears to be Gable v Deal, 161 Mich 343 (1910), wherein the defendant was attempting to avoid paying his share of the costs associated with a petition for a drain that was dismissed. Section 4319 of the Compiled Laws of 1897 appears to have simply provided that the applicants would be liable for all preliminary costs and expenses in case the drain commissioner determined the drain was unnecessary or impractical.

Apparently, under the prior drain code, if an application (or petition, as it seems to have been called) for a drain was found to be unnecessary or impractical, the County had to collect the money expended in making that determination from the applicants. One can see where an unsuccessful applicant might be re-

luctant to reimburse the County for something he was not going to get. If this is a correct reading of the predecessor statute, and the problems that could arise, the change in the current version would make sense. Given the number of cases that seem to have made their way to the Supreme Court in the early years of this century, I suspect a fair number of failed applicants managed to escape liability altogether. Note that in the current drain code there is no similar provision for recovery of the costs associated with an unsuccessful application for a new drainage district.

The current section allows the County Board, who would otherwise be liable, the option of requiring a cash deposit sufficient to cover the initial costs. I do not think the drain commissioner can impose this on his own. If he could, there would be little reason to provide for such a resolution by the County Board. Indeed, the following section of the code, MCL 280.52, states, "Upon filing of such application for a new drainage district, the commissioner shall immediately cause a survey to be made." (Emphasis added.) As we have noted previously (see Corporation Counsel Opinion 97-7), most of the duties of the drain commissioner are set out in mandatory language. When an application for a drain district is received, and he determines that it meets the statutory criteria for validity, the drain commissioner must initiate the procedure to determine if the drain is necessary and feasible.

Therefore, as to Mr. Fuller's first question, may he impose such a deposit without a resolution by the County Board, my answer is "No," I have been unable to find any authority that would allow the drain commissioner, on his own, to impose such a deposit.

As to Mr. Fuller's second question, would such a resolution be needed for each application, my answer is "No," as the language of MCL 280.51 provides that the resolution may instruct the drain commissioner to "refuse any application...unless a cash deposit, sufficient to cover the preliminary costs, accompanies the application." (Emphasis added.)

Turning to your implied question, is such a resolution necessary, I tend to think it is unless the Board is willing to bear the costs, via the drain commission's budget, for the initial surveys and determinations of any new drainage district. Mr. Fuller indicates that his predecessor (Ms. Eveningred, and probably Mr. Donahue) routinely asked for such a deposit. I have no reason to believe they did anything else, given the costs of the required survey. I suspect that sometime in the past, possibly the quite distant past, a previous county board did, in fact, pass such a resolution. However, if the current board wishes to
cover all the possibilities, it would not be unreasonable to pass a new resolution, just to make sure.

If you have any further questions, please contact me at your convenience.

Respectfully yours,

Dear Don,

I have several applications pending to lay out new drainage districts to solve present drainage problems – for instance in Marysville, and in St. Clair Township in the Blue River Gardens Subdivision.

In Chapter 3, Section 280.51, of the Drain Code of 1956, (see highlighted attachment) it speaks of a resolution by the County Board pertaining to a cash deposit for preliminary survey work.

I think it would only be prudent to ask for such a deposit, since if a new drain is eventually determined not to be necessary, the county would otherwise be out that money. My predecessor asked for that deposit and I am telling petitioners that will probably be necessary, but we are not aware in this office that the Board has ever passed such a resolution.

I'd like to ask that the Board consider this as soon as possible, if it has not already been done. Furthermore, could you get corporation counsel's opinion as to whether this resolution is necessary before I require a deposit and/or whether such a resolution pertains to individual applications or if one resolution would cover all such applications.

Sincerely,

Fred Fuller

COUNTY DRAINAGE DISTRICTS.

280.51 County drainage districts; application, signers, eligibility, sufficiency; deposit for costs.

Sec. 51. Before a commissioner takes any action on any application to locate, establish and construct any drain, there shall first be filed with him an application to lay out and designate a drainage district with reference to a proposed drain therein; such application shall tentatively describe the location and route of such proposed drain. The application shall be signed by not less than 10 freeholders of the township or townships in which such proposed drain or the proposed lands to be drained thereby may be situated; Provided, That 5 or more of said signers shall be the owners of land liable to an assessment for the construction of such proposed drain: Provided further, If it shall appear to the drain commissioner on filing an application to lay out and designate a drainage district that said district might not include 20 freeholders whose lands would be liable for such assessment, in such case such application shall be received if any one of the signers is a freeholder liable to an assessment for the construction of such proposed drain. The eligibility of the signers to such application shall be determined by the drain commissioner according to their interest of record in the office of the register of deeds, in the probate court or in the circuit court of the county in which such lands are situated at the time such application is filed. The board of supervisors, by resolution, may instruct the drain commissioner to refuse any application to lay out a drainage district unless a cash deposit, sufficient to cover the preliminary costs, accompanies the application. If the drain is completed, the cost advanced shall be returned to the depositor or his personal representative out of the first tax collections on the drain. If uncompleted, any excess above costs shall be so returned. In lieu of an application signed by freeholders as aforesaid, such an application may be signed solely by the board of health of the county if the proposed drain is necessary for the public health of any part of the county, or may be signed solely by any city, village or township when duly authorized by its governing body, if the proposed drain is necessary for the public health of such municipality and if such municipality will be liable for an assessment at large against it for a percentage of the cost of the proposed drain. The entry of an order designating a drainage district, as hereinafter provided, shall be deemed a determination of the sufficiency of such application.

RESOLUTION 97-29

RECOMMENDING BEHAVIORAL MENTAL HEALTH CARE SERVICES

WHEREAS, counties and community mental health boards have been partners in the delivery of mental health services since 1963; and

WHEREAS, the State of Michigan's Department of Community Health is designing managed care approaches for medicaid primary and behavioral health care programs with a behavioral health carve out; and

WHEREAS, for public mental health systems to work there must be local accountability, local control and local ability to individualize and customize care on a community basis in order to network with other community resources; and

WHEREAS, the CMH System has proven its ability to manage care through full management and its successful performance in gatekeeping the Medicaid psychiatric inpatient program; and

WHEREAS, the emphasis on the DCH plan on population size and the plan to contract out behavioral care services would threaten local accountability, local control and local ability to individualize and customize care on a community basis; and

WHEREAS, the merits of managed care behavioral health approach will be considered by the Legislature during its review of the 1997-98 Department of Community Health budget;

THEREFORE, BE IT RESOLVED that the St. Clair County Board of Commissioners supports the behavioral carve out as along-term strategy for the delivery of mental health services in Michigan which will preserve Medicaid funds for the Mental Health Code identified priority populations; and

BE IT FURTHER RESOLVED, that the St. Clair County Board of Commissioners supports retaining the locally based CMH service system because it maintains local control and local accountability as well as retains applicability of the Open Meetings and the Freedom of Information Acts; and

BE IT FURTHER RESOLVED, that this Board of Commissioners wishes to communicate to the Governor and members of the 89th Legislature that the public mental health system must be preserved as an individual community service under local county control with the ability to customize programs as needs arise in order to remain a safety net as intended by the Mental Health Code.

BE IT FURTHER RESOLVED, that this Resolution be forwarded to Governor John Engler, Department of Community Health Director James Haveman, Senator Dan DeGrow, Representatives Karen Willard and Terry London, and Michigan Association of Counties.

RESOLUTION TO ESTABLISH A TRANSPORTATION STUDY
WITH FUNDING FROM THE FEDERAL HIGHWAY ADMINISTRATION

WHEREAS, St. Clair County has participated in the Port Huron Urbanized Transportation Study and the St. Clair County Transportation Study; and

WHEREAS, St. Clair County wishes to continue their involvement in transportation planning county wide.

NOW, THEREFORE, BE IT RESOLVED, that St. Clair County agrees to participate in the Federal Highway Administration Planning Program and to receive the granted funds as passed through by the Michigan Department of Transportation and the Southeast Michigan Council of Governments.

BE IT FURTHER RESOLVED, that the St. Clair County Board of Commissioners designates the St. Clair County Metropolitan Planning Commission to administer and manage those funds as required by the Federal Highway Administration (23 CFR 450 and 49 CFR 613).

BE IT FURTHER RESOLVED, that this action supersedes all previous resolutions pertaining to transportation planning study or programs.

MEMO

To: Donald Dodge, Administrator/Controller
From: Gordon Ruttan, Planning Director
Subject: St. Clair County Transportation Study Reorganization
Date: May 1, 1997

As you are well aware, the subject of SCCOTS' reorganization has been a topic of concern over the last several months. At the last Public Works/Environmental Affairs Committee meeting, April 2, 1997, I discussed this issue with the commissioners and told them I would be making a recommendation to them at their May 7, 1997, meeting.

The attached draft resolution represents the continuation of dialogue between our offices, Corporation Counsel, SEMCOG, and MDOT. It provides for an improved administration and accounting system and yet maintains the existing technical and policy committees of SCCOTS.

With the county as grantee and the Metropolitan Planning Commission as the designated administrator of the program, it would require the Metropolitan Planning Commission to be responsible for the financial management of the program while still allowing the appointed SCCOTS county representatives to make work program and other policy decisions.

It is a solution that I am confident will be successful. If you have any questions, I would be happy to discuss them with you.
RESOLUTION 97-28

OPPOSING THE DISSOLUTION OF THE STATE FIRE MARSHALL'S DIVISION

WHEREAS, Executive Order No. 1997-2 proposed an Executive Reorganization of the Fire Marshall's Division from the Michigan Department of State Police to the Michigan Department of Consumer and Industry Services, Michigan Department of Environmental Quality; and

WHEREAS, the Fire Marshall's Division currently handles the state mandated annual fire inspections for colleges, adult foster care, elementary schools, day care and hospital facilities; and

WHEREAS, Life Safety and NFPA (National Fire Protection Association) Codes are key code enforcement manuals that this County enforces and without the continued support of the State Police Fire Marshall's Division, this County would suffer a major setback on enforcement and code compliance; and

WHEREAS, the dissolution of Fire Marshall Division from the Office of State Police would be a serious detriment to the local Fire Departments because of under staffing, untrained personnel, budget restraints and liability and enforcement.

WHEREAS, after a rally at the State Capital the House Appropriations Committee took action to draft legislation to disapprove the executive order.

NOW, THEREFORE, BE IT RESOLVED, that the County of St. Clair officially opposes the dissolution of the Office of the State Police Fire Marshall Division because of the tremendous impact that it would have on this community in code enforcement, state of emergency assistance, strict enforcement of fire codes for hospitals, colleges, schools, and adult foster care as well as our senior citizens, and forward a copy of this Resolution to Governor John Engler, Senator Dan DeGrow, Representatives Terry London and Karen Willard, and the Michigan Association of Counties.

DISTRICT LIBRARY AGREEMENT

THIS DISTRICT LIBRARY AGREEMENT is entered into as of the first day of June, 1997 (the "Effective Date of the Agreement"), by and between the County of St. Clair (the "County"), the City of Port Huron ("Port Huron"), the City of Algonac ("Algonac") and the City of Yale ("Yale") pursuant to the District Library Establishment Act (MCL 397.171 et seq.) (the "Act").

PREMISES

The County, Algonac, Port Huron and Yale (the "Parties"), each desire to establish a district library pursuant to the Act in order to provide adequate and improved library services to the area described on Exhibit A attached hereto and made a part hereof. The governing boards of each of the Parties have determined that it is in the best interests of the residents of their respective communities to provide library services by establishing a district library. The Board of Trustees of the St. Clair County Library System, the public library currently located in the proposed district (the "Former Library"), has approved the establishment of a district library under this agreement.

Therefore, in consideration of the premises and other mutual obligations and promises, the Parties agree as follows:

1. The Parties hereby establish as of the Effective Date of this Agreement a district library pursuant to the Act, to be known as the "Blue Water District Library," (the "District Library") having all of the powers granted to such district libraries by the Act.

2. The territory of the Parties included within the District Library district shall be as described in Exhibit A (the "District").

3. The District Library shall be governed by a board (the "Board") which shall consist of 7 members appointed by the governing bodies of the Parties as follows:

   The County shall appoint three (3) members, selected at large from any area of the County not represented by a Party to this Agreement. The City of Port Huron shall appoint two (2) members, and the Cities of Yale and Algonac shall each appoint one (1) member to the Board. Each member of the District Library Board shall serve for a term of three (3) years, except as follows:

   One (1) of the initial members appointed by the City of Port Huron, and one (1) of the initial members appointed by the County shall serve for a term ending December 31, 1997;

   One (1) of the initial members appointed by the City of Port Huron, and one (1) of the initial members appointed by the County shall serve for a term ending December 31, 1998; and
One (1) of the initial members appointed by the County, and the initial members appointed by Algonac and Yale shall serve for a term ending December 31, 1999.

In accordance with Section 8(2) of the Act, the Governor of the State of Michigan shall have the power to remove a member of the District Library Board for cause, pursuant to the provisions of Section 10 of Article V of the State Constitution of 1963, as amended. Vacancies shall arise in the event of the removal by the governor, resignation, death, conviction of a felony, in the event a member ceases to be a resident of the District or of the jurisdictional limits of the Party which appointed the member, or otherwise as provided by law.

In the event of a vacancy, the Party which appointed the member of the Board whose position has become vacant shall appoint a replacement therefor within 2 months of the vacancy. If the appropriate Party shall not have appointed a replacement at the end of such 2-month period, the District Library Board shall have the power to appoint such replacement, who shall be a resident of the Party which appointed the member being replaced, and whose term shall extend to the end of the term of the District Library Board member replaced; and the Party for whom such replacement has been named by the District Library shall be deemed to have appointed such replacement member.

4. Except during the period commencing the Effective Date of this Agreement and ending December 1, 1998 (the "Interim Period"), funds necessary for the operation of the District Library shall be derived from state aid, penal fines, donations and bequests, if any, and a district wide millage authorized to be levied upon all taxpayers of the District.

During the Interim Period, the operation of the District Library will be funded as follows:

The County shall continue to manage library operations during the Interim Period at the level established for the 1997 fiscal year, in accordance with the terms of an Agreement for Operation of Library Services substantially in the form attached hereto as Exhibit B (the "Interim Operating Agreement"). The County shall levy the previously voted 0.5 mills for library purposes, rolled back in accordance with constitutionally required millage rollback laws, on December 1, 1997 (the "County Library Tax"), and shall assure continued use of the proceeds of that levy for public library purposes.

To the extent any moneys or property from any source whatsoever are received by either of the Parties designated for the operation and administration of community library services or acquisition of books and equipment and other real or personal property for community library use, such Party shall transfer such moneys and property upon receipt thereof to the District Library.

5. During the Interim Period, the fiscal year of the District Library shall coincide with the fiscal year of the County, provided, that the initial fiscal year of the District Library shall begin the Effective Date. Commencing the January 1 following approval by the electors
of the District of a district wide millage, the fiscal year of the District Library shall be the annual period determined by the District Library Board. In the event a district wide millage of at least 1 mill has not been authorized by the qualified electors of the District by August 15, 1998, this District Library Agreement shall expire by its terms and all assets of the District Library shall be returned to the Parties as described in Section 9 below.

6. During the Interim Period, the County shall make available to the District Library the building located at 210 McMorran Boulevard, Port Huron, Michigan (the "Main Library"), together with all tangible and intangible personal property associated with the operations of the County Library. Beginning December 1, 1998, the County shall lease the Main Library to the District Library and shall transfer to the District Library all of its right, title and interest to and in the tangible and intangible personal property used in the operation of the Former Library. The transfer of such property by lease or otherwise shall be subject to the terms and in accordance with the provisions of the Transfer of Assets and Assumption of Liabilities and Contractual Obligations (the "Property Transfer Agreement") substantially in the form attached hereto as Exhibit C.

7. Until July 1, 1999, employees of the existing St. Clair County Library System shall continue to be employees of the County as provided in the Interim Operating Agreement. On July 1, 1999, the County shall cease operations of the library services in the County. As required under the terms of the Employee Transfer Agreement substantially in the form attached to this Agreement as Schedule 4 to the Property Transfer Agreement (the "Employee Transfer Agreement"), the County shall require the District Library to offer employment to all persons employed by the County as of June 30, 1999 (the "Former Library Employees") subject to the terms and conditions specified in the Employee Transfer Agreement.

8. Beginning the December 1 following approval by the electors of the District of a district wide millage, the District Library shall be required to indemnify the Parties against all claims arising from or relating to the operation by the Board of the District Library. The Board shall obtain insurance coverage in amounts reasonably determined by the Board to be adequate to meet such liabilities, and such insurance policies shall name the Parties as additional insured parties.

9. The District Library may be dissolved and this District Library Agreement may be terminated if all but one of the Parties withdraw. Upon dissolution, all tangible real and personal property of the District Library shall be transferred to the Party or other entity which provides library service to the greatest number of residents of the District.

As provided in Section 4, this Agreement may also be terminated upon failure of the District Library to obtain voter approval of at least 1 mill by August 15, 1998. In that event, all assets of the District Library shall be returned to the County, and the County shall re-establish a library board as provided in Act No. 138, Michigan Public Acts of 1917, as amended.
10. Any Party may withdraw from the District Library subject to the following conditions:

   (c) Notice of an election on the resolution shall be published in a newspaper published or of general circulation in the jurisdiction of the Party not less than ten (10) days before the next regularly scheduled election of the Party following adoption of the resolution.

   (d) The resolution is approved by a majority of the electors of the Party voting on the resolution at the next regularly scheduled election of the Party.

   (e) After approval of the resolution by the electors, the Clerk or Secretary of the Party shall file a copy of the official canvass statement and a certified copy of the resolution with the Library of Michigan and with the Board in sufficient numbers for distribution to the governing bodies of each of the other Parties.

   (f) The Party withdrawing shall have made payment or provision for payment to District Library or its creditors of all obligations of the Party.

   (g) The governing body of the Party withdrawing shall furnish to the Library of Michigan a plan for continuing, after the Party no longer receives library services from the District Library, public library services for all residents of the jurisdiction of the Party.

In the event of any withdrawal, the real and personal property belonging to the District Library shall continue to be owned by the District Library Board.

11. Any city, village, township or county (a "Municipality") may become a party to this District Library Agreement upon satisfaction of the following conditions:

   (a) The governing body of the Municipality resolves by majority vote that the Municipality become a Party to this District Library Agreement and that all or a portion of the territory of the Municipality be added to the District.

   (b) The governing body of the Municipality files a certified copy of its resolution with the Chairperson of the Board.
(c) The Board adopts a resolution authorizing amendments to this District Library Agreement reflecting the addition of the Municipality and the territory of the Municipality to the District, and, if the Municipality joins before August 15, 1998, specifying the changes in Board representation or the percentage of funds necessary for the establishment and operation of the District Library to be provided by the Municipality within six (6) months of the date of receipt of the resolution of the Municipality.

(d) The electors of the Municipality or the portion of the territory of the Municipality to be added to the District shall have approved the levy of the district wide millage, if any, by majority of the electors voting on the question.

13. This District Library Agreement may be amended in writing upon the consent of the governing bodies of each of the Parties.

14. This District Library Agreement shall be governed by and construed in accordance with the laws of the State of Michigan.

15. If any clause, provision or section of this District Library Agreement shall be ruled invalid or unenforceable by any court of competent jurisdiction, the invalidity or unenforceability of such clause, provision or section shall not affect any of the remaining clauses, provisions or sections.

16. This Agreement may be executed in two or more counterparts, each of which shall be deemed and all of which shall constitute one and the same agreement, and the signature of any party to any counterpart shall be deemed a signature to and may be appended to any other counterpart.
IN WITNESS WHEREOF, the Parties have caused this District Library Agreement to be duly executed as of the date first written above.

   b. The District Library further agrees that Former County Library Employees who accept employment as of the Effective Date, shall retain such seniority rights as

3. As of June 30, 1999, the County shall freeze all service and benefit accruals under the St. Clair County Employees' Retirement Plan (the "County Plan") for all of the Former County Library Employees who participated in the County Plan, in accordance with the following:

a. Former County Library Employees who participated in the County Plan shall be credited with all service for employment with the District Library for the period beginning with the Effective Date and ending on June 30, 1999.

b. After June 30, 1999, all Former County Library Employees who formerly participated in the County Plan shall be treated as inactive deferred vested participants in the County Plan, and shall be entitled to a retirement benefit from the County Plan based upon their credited service and final average salary with the County at such date.

c. The District Library agrees to reimburse the County for any costs associated with the crediting of service to and/or the vesting of Former County Library Employees Prior to July 1, 1999 as described in b and c above, provided that the District Library shall not in any other way be responsible for, nor have any obligations or liabilities with respect to, the County Plan.

Zoning - Brockway is zoned agricultural, Greenwood zoned Industrial/Agricultural

Plan Designation - Brockway Township: Agricultural Designation. The designation provided is designed to: "Conserve, stabilize, enhance, and develop farming and related resource utilization activities; Minimize conflicting use of parcels, lots, buildings, and structures detrimental to our incompatible with agricultural activities; and, Discourage uses which require streets, drainage, and other public facilities or services of a type and quantity different from those normally required by agricultural activities." "In preserving areas for agricultural use, the Agricultural category is also designed to discourage the proliferation of residential subdivisions and urban sprawl."
Greenwood Township: Industrial/Agricultural (Areas where the Township "most strongly wishes to maintain farming as the primary land use. Other uses in these areas would be forestry and uses closely related to farming such as farm worker residences, storage and drying of grain, and similar uses of land.")

**Consistency with Local Land Use Goals** - The primary goal of the Township is to "preserve and enhance its rural, agricultural culture, while at the same time to provide public support for whatever commercial, industrial and residential development may occur without disturbing that agricultural culture and the physical-biological conditions on which it is based."

The land use classification provided to this site, Agricultural/Industrial, is "used for delineating these areas where excellent agricultural soils, most land actively tilled, large parcels of land and less residential development than in other parts of the Township."

**Consistency with County Land Use Goals** - The County plan recognizes the loss of agricultural land as a land use problem. It establishes a goal of preserving approximately 100,000 acres of harvestable land. This figure is based on the 'County's share' of agricultural projections necessary to meet population projections set in 1969.

Consistency with Local Land Use Goals - The Township plan contains specific agricultural goals and objectives. They include the following:

"...it is the Policy of the Township not to encourage the conversion of this land [prime soils] to other uses", further, "Non-prime land should be utilized for development before prime agricultural land is permanently taken out of production."

"To encourage voluntary preservation of prime farmland and the use of open space easements by assisting individuals who wish to enroll their lands under Public Act 116."

Consistency with County Land Use Goals - The County plan recognizes the lose of agricultural land as a land use problem. It establishes a goal of preserving approximately 100,000 acres of harvestable land. This figure is based on the ‘County’s share’ of agricultural production necessary to meet population projections set in 1969.

STAFF RECOMMENDATIONS: Staff recommends the Commission support the application of Mr. McCormick and inform the County Board of the above findings which also support the proposed nomination.

Dear Ms. Dunn,

Mail received by the U.S. Senate Post Office is delivered to all Senate offices following U.S. Postal Service regulations. Since each Senate office has a different address and unique Zip Code, any mail received without postage, indicia, or frank cannot be delivered by this Post Office nor any other Post Office. The U.S. Senate Committee on Rules and Administration, under which we operate, follows the regulations of the U.S. Postal Service. If any U.S. Post Office receives a postage-paid package to itself and this package contains interior letters for various addresses without proper postage, the interior letters are stamped "postage due" and not deliverable. These letters would then be returned to the sender. The Senate Post Office instead will hold your mail for ten business days in order to provide you opportunity to send the additional postage due for your items. Once we receive your payment, we will deliver your mail.

We have received 100 documents from you. The postage required is $.32 per piece, totaling $32.00. However, we have deducted $3.00 which is the postage you paid to mail the items to us. Please remit the balance due of $29.00 in the form of stamps or a US Postal money order (no cash or checks please).

Also, the U.S. Senate Post Office is not a bulk mail acceptance unit. For reduced postage rates with a minimum quantity of 200 pieces per mailing, bulk shipments must be deposited at a U.S. Postal Service bulk mail acceptance unit where the postage permit is held and the annual bulk fee paid.

If this will not inconvenience you, please give the attached copy of this letter to the U.S. Post Office from which you sent your package so that they may relay the correct information to other postal patrons. If you have questions concerning this matter, I can be reached at (202) 224-5353.

Sincerely,

(Postage Due Clerk)

for Harry D. Green, Sr.
Postmaster, U.S. Senate

Subject: Proposed Resolution of Support - Coastal Zone Grant
Date: March 17, 1997

At the last Public Works Committee meeting of the County Board of Commissioners, staff from this office advised the Committee of a new grant that the Planning Commission had applied for. This grant was through the Coastal Zone Management (CZM) program of the State and would be used to fund GIS research on coastal resource issues throughout coastal communities of the county. Staff alerted the Committee that a resolution of support would have to be adopted and would be presented to them on March 26, 1997. However, prior to that time a draft would be supplied to your office for review and consideration, perhaps being rewritten or formatted by Corporation Counsel. That draft resolution is attached and we are requesting that you review it and enclose a final version in the County Board of Commissioners’ agenda for March 26.

If you have any questions regarding this request or the CZM application, feel free to call. I do intend to be present at the March 26 Board meeting, and have staff members attend as well.

This Agreement is entered into on July 1, 1997 between the St. Clair County Board of Commissioners (hereinafter "the County"), the St. Clair County Prosecuting Attorney (hereinafter "the Prosecutor") or collectively as the Co-Employer* and the Association of Professional Employees of the St. Clair County Prosecuting Attorney (hereinafter "the Association"). The headings used in this Agreement are for reference only.

ARTICLE 1
RECOGNITION

1.1: The Association is recognized as the exclusive representative for the purpose of collective bargaining with respect to wages, rates of pay, hours, terms and conditions of employment for all Assistant Prosecutors and Investigators, excluding the Chief Assistant.

ARTICLE 2
ASSOCIATION REPRESENTATION

2.1: Employees covered by this Agreement shall be represented on all matters of application of this Agreement by two (2) association representatives.

2.2: Employees subject to the Agreement shall be represented by a Bargaining Committee selected by the membership comprised of no more than two (2) members. The Bargaining Committee members shall suffer no loss of pay or benefits for attending negotiation meetings scheduled during their regularly scheduled hours of work.

2.3: The representatives of the association shall suffer no loss of pay or benefits for representing members of the Bargaining Unit on all matters of application of this Agreement, such as grievances, negotiations of changes of terms and conditions of employment and other matters within the purview of this Agreement during regularly scheduled hours of work.

2.4: The association shall notify the Prosecuting Attorney and the Personnel Director, in writing, of names and classifications of all representatives of the association. Notice of changes in association representation shall be made in prompt fashion. Members of the unit who are not officially identified as association representatives shall not be recognized or permitted to represent the interest of other members of the association to the Co-Employers.

2.5: The representation of employees shall not unduly disrupt the Co-Employer's operation or ability to effectively render services. To facilitate this end, the employee representative and the employee shall notify their respective supervisors of the need
to meet and confer or to expedite association business. Supervisors shall not deny any reasonable request. The Co-Employers, including their supervisors, shall make every effort to accommodate the representatives of the association in their representation of Bargaining Unit members to promote harmonious relations.

ARTICLE 3
MANAGEMENT RIGHTS

3.1: The County of St. Clair, on its own behalf and on behalf of the people of the County, retains and reserves unto itself without limitations all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws of the Constitution of the State of Michigan, and of the United States regarding the St. Clair County Prosecuting Attorney's office.

3.2: A. The Prosecuting Attorney is the one elected official in the state of Michigan identified in law as the "chief law enforcement official of the County". The Prosecuting Attorney is directly accountable to the citizens of the County and is ultimately responsible for every discretionary decision rendered by him or any member of his professional staff. This Agreement, based on the discretionary nature of the employees positions, recognizes the high levels of trust and confidence that are necessary to maintain a sound working relationship between the Prosecuting Attorney and the employees covered under this Agreement.

B. The Prosecuting Attorney, on his own behalf and on the behalf of the people of the County, hereby retains and reserves unto himself and his office, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in such office by the laws and Constitution of the State of Michigan, and of the United States. These rights specifically include the right to the executive management and administrative control of the Prosecuting Attorney's office. The exercise of these powers, rights, authority, duties and responsibilities by the Prosecuting Attorney and the adoption of such rules, regulations and policies as the Prosecuting Attorney may deem necessary, may be limited only by the specific and expressed terms of this Agreement.

C. The Prosecuting Attorney retains all rights provided by law, which include but are not limited to those listed here:

i. To manage and operate the office of the Prosecuting
Attorney and its business and to maintain order and efficiency in its operation.

ii. To hire and discharge employees covered by this Agreement. It is understood between the parties that employment under this agreement is subject to commencement and termination at the will of the Prosecuting Attorney.

iii. To promote, demote, discipline or suspend employees covered by this Agreement.

iv. To install, modify or change methods of operations, work schedules and work assignments.

v. To approve time off and vacations, and to withhold time off or vacations if deemed necessary for the proper functioning of the office.

vi. To have sole discretion to approve pay rates within the budget established by the Board of Commissioners. Approved pay rates shall be deemed to be within the budget so long as the Prosecuting Attorney's budget appropriation for total personal services would not be exceeded by implementing the approved pay rates. Salary increases shall be based upon merit as determined in the sole discretion of the Prosecuting Attorney. The Prosecuting Attorney will endeavor to review performance and "merit" on a continuing basis, and to review the salary for each employee on an annual basis. In the event that a salary increase is not granted after any such salary review, the reason(s) for that decision by the Prosecuting Attorney should be expressed in confidence to the employee. Such employees shall have the right to invoke the grievance procedure as set forth in Article 4.

ARTICLE 4
GRIEVANCE PROCEDURE

RESOLUTION 97-3

OPPOSING USEPA’S PROPOSED AIR QUALITY STANDARDS

WHEREAS, the U.S. Environmental Protection Agency (USEPA) redesignated the Southeast Michigan region as an attainment area for ozone in 1995 and for particulate matter (PM₁₀) in 1996; and

WHEREAS, St. Clair County recognizes that clean air is vital to both the quality of life and economy in Southeast Michigan, and the Clean Air Act requires the periodic review of air quality standards to assure that public health is being protected; and

WHEREAS, USEPA has proposed new air quality standards for ozone and particulate matter and the consequences and implications of USEPA’s proposal for Southeast Michigan, local government and business are wide-ranging.

NOW, THEREFORE, BE IT RESOLVED, that the St. Clair County Board of Commissioners recommends the following policies with regard to USEPA’s proposed air quality standards:

1. The 60-day comment period is insufficient and should be extended so that the public and other affected parties have adequate time to thoroughly review the proposal and prepare a response.

2. The four months between the end of the comment period and USEPA’s scheduled final proposed regulation is insufficient. The June 1997 deadline for final action must be extended so that a thorough response to comments can be made and revisions to the proposals can be developed and assessed.

3. St. Clair County supports moving from a one hour standard for ozone to an eight-hour average because this is more indicative of impacts on public health, plus the cost of achieving this standard will be extremely high.

4. The federal government should stop pursuing all the regulatory strategies affecting ozone air quality independently. The USEPA should work with state and local governments in developing a cohesive, comprehensive strategy that addresses the interrelationships between each of these issues, and emphasizes continued progress in improving air quality and cost effectiveness.

5. The U.S. Clean Air Act should be amended to accomplish the following:
   a. Adjustments to the process for setting ambient air quality standards need to be developed.
   b. Ambient standards should continue to be established based on public health impacts, independent of costs.
   c. The Act should focus on continued incremental progress in reducing air pollutant emissions.
   d. Penalty provisions in the Act need to be amended basing penalties on a lack of progress in reducing air emissions instead of being based on failure to achieve the final goal of attaining air quality standards by a certain date.

BE IT FURTHER RESOLVED, that a copy of this action be shared with the Governor, our state legislators, USEPA and Michigan’s Congressional delegation.
