DATE _____

The electrical system to be installed, as indicated on the attached application for permit, is to be installed in my home in which I am living or are intending to live.

I hereby certify that I will comply under the homeowner's constitutional privilege and install the electrical system myself in accordance with the Columbus Township Mechanical Code. The electrical system shall not be enclosed, covered up or put into operation until it has been inspected and approved by the Columbus Township Electrical Inspector. I will cooperate with the Columbus Township Building Inspector and assume the responsibility to arrange the necessary inspections.
