St. Clair County Health Department Offering COVID-19 Vaccine Opportunity on April 9

The St. Clair County Health Department is offering a “walk-in” opportunity to receive a COVID-19 vaccine on Friday, April 9 from 1:00pm to 6:00pm at the Knight Club, 1195 Gratiot Blvd, Marysville.

Please note the following:

- **If you already have an appointment, keep that time. This does not apply to you.**
- **Do not come to the clinic if sick or not feeling well; or in isolation or quarantine.**
- **Open only to those who live and/or work in St. Clair County.**
- **The Johnson & Johnson/Janssen vaccine will be administered.**
- **Open to age 18 and over only.**
- **1,200 doses available/first come first served.**
- **Forms will be handed out in the parking lot and will need to be completed before entering.**
- **Masking is required.**
- **No out of pocket costs, however bring your insurance cards. Some administrative fees can be recouped, but you will never receive a bill.**
- **Lines will be socially distanced, however, there may be a wait time depending on volume.**
- **If the parking lot is full, please come back later. Or pre-register for a future appointment at www.scchealth.co**

“We received more J&J vaccine allocation this week, opened up an additional clinic and could not fill the appointments like we had anticipated.” said Dr. Annette Mercatante, Medical Health Officer of the St. Clair County Health Department. “We are trying this different approach and if successful, may do this again in the future. Our main goal is getting as many people in our community vaccinated and this is one way to do that.”

This is a rapidly evolving situation. Email questions regarding COVID-19 to covid19@stclaircounty.org or call the informational hotline (810) 966-4163. Visit the website www.scchealth.co and follow us on social media @scchdmi.
