Health Department Offering COVID-19 Vaccine and Testing Onsite Self-Schedule Appointments Available

The St. Clair County Health Department is currently scheduling COVID-19 vaccinations and testing appointments at the Health Department Main Office located at 3415 28th Street, Port Huron *and* Teen Health location, 2215 Court Street, Port Huron.

Appointments can be self-scheduled at the Main Office location via www.scchealth.co or by calling the Health Department (810) 987-5300 or the COVID-19 Informational Hotline (810) 966-4163. Vaccine selections will include Pfizer, Moderna and Johnson & Johnson.

For appointments at the Teen Health location call (810) 987-1311.

COVID-19 Vaccination appointments are offered:

- Monday through Thursday at the Main Office (ages 12 and older) and Teen Health location (ages 12-21)

COVID-19 Testing appointments are offered:

- Monday through Friday at both locations

Dr. Annette Mercatante, Medical Health Officer for the St. Clair County Health Department stated, "We are excited to integrate COVID-19 vaccine and testing into our normal services and provide the community ample opportunity to these important tools." She added "The Health Department continues to work with community partners to host pop-up vaccine clinics throughout the county in locations that are convenient and easily accessible for members of the public." Details of those clinics can be found at scchealth.co

This is a rapidly evolving situation. Email COVID-19 questions to covid19@stclaircounty.org or call the informational hotline (810) 966-4163. Visit the website www.scchealth.co and follow us on social media @scchdmi.
