St. Clair County Health Department Phasing Out COVID-19 Hotline

The St. Clair County Health Department is phasing out the St. Clair County COVID-19 hotline phone number and email effective March 1, 2023. Residents with COVID-19 related questions can contact the health department's main number at (810) 987-5300 or email questions to healthdept@stclaircounty.org.

The hotline was established and activated in 2020 to assist community members with COVID-19 specific questions. Public Information Officer, Jennifer Michaluk stated, "Over 50,000 calls/emails have been received over the past three years of our pandemic response and the hotline served its purpose as a helpful community resource." Michaluk continued, "Residents with COVID-19 questions are welcome to contact the health department during regular business hours."
