**St. Clair County Health Department Offering Monday Walk-in Services**

Several St. Clair County Health Department programs will be offering services on a walk-in basis (no appointment needed) on Mondays, starting March 6, 2023:

- Free vision and hearing screening for children entering kindergarten in the fall on the following Mondays only: March 6, March 27, and April 3 from 10:30am - 5:30pm. Other days by appointment.
- Catch-up on any needed immunizations, infancy through adulthood, via the Preventive Health and Immunization Services. Mondays, 10:00am – 6:00pm. Other days by appointment.
- Personal Health Clinic services including screening and treatment for Sexually Transmitted Infections (STI), pregnancy testing, birth control options, and more. Walk-ins seen as time allows and wait times may vary. Mondays, 10:00am – 5:00pm. Other days by appointment.

Amy Bishop, RN, BSN, Director of Nursing and Community Health explained, “Some individuals may need or want to catch-up on specific health services that the health department offers.” Bishop continued, “With later hours on Mondays and the walk-in option, our goal is to try and make services more accessible and convenient.”

Call (810) 987-5300 (Option 0) for more additional information and program details. The Health Department is located at 3415 28<sup>th</sup> Street in Port Huron.
