Flu Shot Reimbursement

Retirees and spouses who have Medicare Advantage, the plan covers a flu shot once per flu season in the fall or winter and the deductible does not apply.

The County has offered to reimburse the cost of the flu vaccination for retirees and spouses who are less than 65 and not covered under the Medicare Advantage plan. Simply send your original receipt to St. Clair County Human Resources —Retirement, 200 Grand River Ave. Ste. 206, Port Huron, MI 48060 for reimbursement through your monthly pension check. Please be advised receipts for flu reimbursement must be received **within 60 days**. Flu vaccines can also be obtained at local pharmacies and at health care provider offices.

Medicare Open Enrollment

Open enrollment for Medicare Advantage is upon us. You will be receiving a lot of marketing calls and materials from companies trying to get you to switch to their plan. It is your right to decide on a plan that suits you, but please keep in mind that an individual can only be enrolled in one Medicare Advantage plan at a time. Enrolling in another Medicare Advantage plan may automatically disenroll you from the St. Clair County Retiree Medicare Advantage plan. **If you wish to remain on the County Policy, there is no action you need to take.** If a covered dependent newly becomes Medicare eligible through age or disability, you should notify our office immediately.

Please be aware that scammers will be at an all-time high during this enrollment period and will impersonate Medicare or another organization you may know. **No one should be asking for your Medicare, Social Security, bank or credit card information - DO NOT share this information.** To learn more about your Medicare Rights, visit medicare.gov/basics to see a list of rules.

Address Changes - Moving for Winter

As you head down to warmer weather over the next few months to escape the cooler MI. weather, please remember to contact the Human Resources office to notify us of your move. We will update BCBS, Medicare, MedTipster, Delta Dental, Payroll, HR system, etc. We need to be made aware of when you move. Confidential information is often mailed to the current address in our system (1099R, paycheck stub, pension related information, etc.) **The post office will only forward mail for a short period of time** and does not contact the County of your address changes. You need to contact us directly. Please keep in mind that many tax related documents often times will not forward to a FL address and will get sent back to us.
