

Dear 4-H Supporter,

The St. Clair County 4-H Leaders Council will host its Annual Benefit Auction on Saturday, February 27, 2027, at Goodells County Park. The auction begins at 10:00 am. Funds raised through this event directly support St. Clair County 4-H programs, helping provide educational opportunities, activities, leadership development, and scholarships for local youth and adult volunteers.

To make this auction a success, we need your support! We are gratefully accepting donations of:

- New or gently used merchandise
- Gift certificates
- Gift baskets
- Monetary contributions

All monetary donations will be used to support the St. Clair County 4-H Youth Program. Donations may be tax-deductible as allowed by law. As a monetary donor, you will receive a special certificate of recognition that may be displayed at your business or organization. Checks or money orders should be made payable to St. Clair County 4-H Council.

Thank you in advance for your generosity and commitment to helping local youth succeed through 4-H. We invite you to join us at Goodells County Park on auction day to see the many wonderful items donated by our supporters and to participate in the excitement.

Sincerely,
St. Clair County 4-H Leaders Council
