George and Peg were active in 4-H and thoroughly enjoyed being part of 4-H. Peggy was the Archery Superintendent for many years and George was her assistant. She was a leader in Archery and other project areas with the SCC Sharpshooters 4-H Club. It gave them both joy to see the youth participate in Archery. The Walsh family has made this award available to honor their parents and continue their legacy in the 4-H Archery program.

Award will be presented at the Shooting Sports Awards Ceremony on Monday of Fair Week.
